## C of C Members Elect H. Cochrane President

Harry Cochrane, last year's vice-president and a prominent St. Albert businessman since 1970 was elected president of the St. Albert and District Chamber of Commerce Tuesday Feb. 13 at the annual meeting held in the Legion Hall. Mr. Cochrane succeeds Gerry Belke who completed his one-year term of office.

Besides Mr. Cochrane, a complete slate of officers were elected to the new 1973-74 executive from nominations proposed by a nominating committee as well as from members at large: vice-president, Adam Hauptman; secretary, Harry Gaffney; treasurer, Doreen Grice. The directors are: Max McCann, Dennis McConnell, Ralph Vandenberg, Rolfe Charbonneau, Roger Caouette, Wayne Law, Doug Penny and Mark Wheeler.

Immediate past-president Gerry Belke proposed a three-man special corps of directors whose duties would be to represent one of the three major business sectors of St. Albert. This proposal was temporarily shelved until it can be dealt with by the new executive.

## Kinsmen hear Pawson - will support games

1973 British Commonwealth Games Executive Director Hal Pawson was the guest speaker at the Kinsmen Club's last general meeting. Mr. Pawson showed the Kinsmen the promotional film that helped win the 1978 Games for Edmonton while Mr. Pawson and the games committee were in Munich, Germany.

Mr. Pawson had just returned from Montreal, where he obtained first-hand information on the funding proposals that the Montreal 1976 Olympic Games committee presently have before the Federal government. These include specially minted coins of the realm,

a full series of special stamps and a National lottery.

Mr. Pawson said he was hopeful these proposals would meet with government approval in which case Edmonton could also follow similar lines in their funding.

He went on to outline several areas where St. Albert could get active in order to receive some benefit of the legacy that will be left after the Games.

The Kinsmen are presently looking into these areas and hope to play an active role in the 1978 Commonwealth Games.

The idea was to have a director represent St. Albert Trail businessmen, another for Grandin Shoppers Park and a third for Downtown St. Albert. Mr. Cochrane told The Gazette that the idea has merit and may be dealt with at a later date.

On Thursday evening, the new St. Albert and District Chamber of Commerce executive met at the home of Mrs. Doreen Grice, 5 Gladstone Crescent, to discuss 1973-74 strategy and the following directors were appointed chairmen of specific committees: secretary Harry Gaffney besides performing his regular duties, has agreed to act as coordinator of all correspondence and information mailed to the chamber. Mr. Gaffney will redirect all pertinent data to the proper chairman of the committee involved.

## Guide Bazaar

Theme of the bazaar and bazaar sale being held Saturday by the Grandin District Brownies and Guides is "All Nations" and the girls have an interesting array of attractive items for sale.

There are 228 girls in the Grandin district alone and this annual event helps to keep them in funds as well as providing an opportunity for the girls to make use of skills learned in crafts classes.

It will be worthwhile to drop in at the Community Hall Saturday between 11 and 3 o'clock.

## Council Dismisses Entire PSS Board

St. Albert Council Monday night unanimously approved Bylaw 10/73 which states in part that town council is empowered to relieve Preventive Social Services personnel at anytime for just cause.

Once this bylaw was given final reading of 6 - 0 (Councillor Bob Hudson was absent), Councillor John Bakker, initiator of the bylaw, proceeded to define council's future steps in dealing with the PSS issue in the form of a three-pronged motion.

In making his motion, Councillor Bakker first spelled out that - the St. Albert Preventive Social Services board terminate its period of office effective March 5; that town council advertise for nominations for a new PSS board, setting the deadline for applications as of March 8 at 5 p.m. and that town council elect a new PSS board from applications received at a council meeting set for March 12. Councillor Bakker's motion was carried 6 - 0.

This ended a turbulent chapter in the PSS saga where infighting, dissenting, accusations, counter attacks and general disunity had brought about the PSS issue before council. In fact, the PSS issue has come before council on several previous occasions when problems were temporarily ironed out. However, when the issue showed signs that it might erupt into a major crisis over the proposed dismissal of one of its

members, Mrs. Henne Stibbe, council inherited the problem at its February 12 committee meeting. That was when the PSS problems were to be aired and solved. Instead, on a motion by Councillor Myrna Fyfe, council approved her motion that whatever testimony given to council on the testy PSS issue, be given under oath.

This provoked a sudden halt in proceedings and the whole affair was referred to Monday, February 19.

At 8:20 p.m. when council was prepared to hear proof on evidence on the PSS dispute, Mayor Ray Gibbon explained that the town solicitor had informed council that there was no applicable law.

Cindy Ryley was the name drawn by Mr. Philip Morin as Queen of the Sweetheart Ball, and Lion District Governor Rock Holman had the honor of officially crowning her as a highlight of the evening. Mr. Morin and Cindy then led off the next dance, followed by the senior citizen couples, and then the rest of the crowd.

## New Bylaw Cripples Snowmobile Group

Albert and so on through nine clauses.

Soon as the vote was recorded members of the St. Albert Snowmobile Association present in the gallery erupted into monologues directed at council. Although citizens are not allowed to

voice opinions during council meetings, unless through pre-arranged appointments, Mayor Ray Gibbon let Messrs. Vally Semoluk, Dr. Eldor Thomas and Art Perrot have their final kick at the cat.

## These Kids Need A Boost!

The St. Albert Branch of the Royal Canadian Legion has taken interest in a project of much human interest, and are endeavoring to help Mrs. C. M. Evans of St. Alphonsus School in Edmonton bring a group of Eskimo children from Cambridge Bay to Edmonton.

Their teacher, Donna Jacobson, asks "Who can tell these children what a tree is like, and reports that her pupils have had a valuable boost to their morale with the goal in mind of this trip, and are working hard to improve their reading. They are, however, very poor children, and Mrs. Evans is working like a beaver to raise about \$2,000 to make

the trip possible for them.

A project jug at the Legion Hall has over \$40 now, and on Sunday, February 25 they are hoping the people of St. Albert will really get behind their bottle and can drive to help swell the coffers. Here is a way for everybody in St. Albert to help a group of youngsters who are desperately limited in trying to help themselves financially. The trip would be a really tremendous experience for them - one that could not be duplicated any other way - and one to remember all their lives. Gather up all your bottles and pop cans and take them to the Legion Hall on Sunday the kind of help St. Albert people are noted for.

in Alberta covering this type of evidence under oath. The town solicitor also said in his letter that such a quasi-court procedure was not included in the Act and reflected further that such a procedure had never been used in the history of Alberta. Town solicitor concluded his letter of information by recommending that council would be wise not to entertain such evidence under oath because such was not desirable.

Armed with this information, council was briefly pondering its next move when a member of the jam-packed gallery, Don Boyer, solicitor representing Mrs. Hennie Sibbe asked to be heard. In his remarks, Mr. Boyer reiterated the terms of the law already described by the town solicitor and enlarged upon the situation as it presently stood.

Mr. Boyer said that in view of the fact that council had accepted itself into a quasi-court, members of council automatically became quasi-judges and therefore questioned their eligibility to sit on such a hearing. Mr. Boyer singled out two councillors, John de Bruijn and Myrna Fyfe as being prejudiced on this issue since they had already made public statements favoring Mrs. Sibbe's removal from the PSS board, 'for just cause.'

On this note, both councillors Fyfe and de Bruijn left the council chambers, thus leaving Mayor Gibbon and three councillors remaining. At this juncture, PSS chairman of the board Ron Gaunce attempted to bring forth a point to disqualify Mayor Gibbon from sitting on the hearing because he too had prejudiced himself. Mayor Gibbon admitted that he should vacate his chair because he was guilty too. He did, however, point out that council would then be reduced to less than a quorum and therefore the whole exercise would be in vain.

After both councillors Fyfe and de Bruijn returned to their chairs and participated in favor of the new bylaw and motion, submissions were heard and others were received but not circulated. First was a submission from R. Prather who was unable to deliver his views personally, therefore had his paper read by Councillor Rod Thordson.

Dick Wilson, another interested citizen read his own views on the PSS issue and so did Roger Gariepy. Mrs. L. Kuz, president of the St. Albert Help Society delivered a comprehensive report on PSS funded projects such as the Homemaker Service, Mother's Day Out program and the proposed Meals On Wheels program. Other

submissions received by council included one from Gordon Goodman, chairman of the St. Albert Safety Council, Gloria Stacey on behalf of the St. Albert Single Parents Society and Mrs. Gloria

## Allarco Annexation Bid Drags Through 2 Days

The well-known team from the Local Authorities Board, C. G. Macgregor and Ian Morris spent two days here February 12 and 13 gathering information at a public hearing dealing with an application for annexation of about 722 acres of Allarco lands.

Although the hearing lasted two full days, the L.A.B. pair adjourned the hearing with instructions to both, legal counsels of Allarco and the Town of St. Albert to submit summations by writing prior to April 1, 1973.

The 722 acres involved are located on the southeastern boundaries of St. Albert and are described as River Loos 41 to 45 and additional lands. Locally these lands are referred to as Neighborhood 11 and 12 or the Allarco Property.

Representing Allarco, the applicants for annexation in the case was Louis Charle-

Andrusiw, president of the St. Albert Day Care Society. Before going to other council business, Mayor Gibbon noted that the entire Preventive Social Services bylaw will have to be thoroughly studied, changed as required before the March 12 meeting at which a new PSS board will be elected.

bois, barrister and solicitor of Edmonton who had as supporting expert witnesses Gordon Fruet of Associated Engineering Services Ltd., D. L. Makale and P. D. G. Edwards of the firm of Makale, Holloway and Associates Ltd., town and regional planning consultants.

Acting on behalf of the Town of St. Albert and the MD of Sturgeon was Michael C. Welsh, barrister and solicitor of the firm of Brownlee and Fryett, also of Edmonton. Called upon to testify in opposition of the annexation application were Town of St. Albert Mayor Ray Gibbon, MD of Sturgeon Reeve Walter Van de Walle, MD of Sturgeon Councillor W. J. Flynn, R. N. Giffen, executive director Edmonton Regional Planning Commission.

## Snowmobile Bylaw

Continued from Page 1

Mr. Semotluk, vice-president of the association reprimanded council because in his view, council and the St. Albert Snowmobile Association had made a deal whereby the association was to implement rules and regulations designed to control snowmobiles in town and on the Sturgeon. "We have been doing just that," Mr. Semotluk told council, "and I'm sure you can't deny the fact that we have kept our end of the bargain." And now you completely emasculate our association with the passing of this bylaw. You are leaving us no alternative but to write-off about \$1,000 in expenses and disband our association he said.

Dr. Eldor Thomas, president of the association attempted to reason with council for just a four-foot strip along the Sturgeon where snowmobiles could travel

without endangering anyone. Art Perrott, public relations director with the association pleaded for more time in which to prove the feasibility of the association, especially for next season.

Mayor Gibbon opposed the motion on the strength that council had made a bargain with the snowmobile association and didn't want to renege on his word. Councillor de Bruijn likewise voted against the motion on the strength that in his view, it was ridiculous and bad legislation to permit snowmobiles to operate on St. Albert streets and avenues but not on the Sturgeon River.

In an interview with members of the Snowmobile Association after the meeting, The Gazette was informed by Dr. Eldor Thomas, president of the association that in view of the ratification of bylaw 7/73, in all likelihood the association would disband.

## C of C Elect H. Cochrane

Max McCann was appointed publicity chairman; Adam Hauptman, in addition to his duties as vice-president, he will contact all new businessmen coming to town and extend them an invitation to attend the next meeting as guests of the Chamber. Dennis McConnell was appointed chairman of the entertainment committee whose duties will include the making of all arrangements for meetings and socials. Wayne Law will be in charge of directional signs in town and will study the situation before presenting recommendations at the next executive meeting.

President Cochrane told The Gazette that other committee chairmen will be appointed as the present Cham-

ber season develops. He did conclude, however, that a concentrated membership drive will be conducted soon by all members of the executive and he hopes this blitz for new and renewed memberships will be completed in about three days.

### Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the westerly half of Lot 8, Block 2, Plan 2204 H.W. from Residential Comprehensive (RX) to Special Highway Commercial (C3A) and the easterly half of Lot 8, Block 2, Plan 2204 H.W. from Highway Commercial (C3) to Special Highway Commercial (C3A).

The proposed Bylaw #9/73 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 19th day of March at 8:05 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 13th day of March, 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

Twelve rinks in the Northern took to the ice Tuesday morning in St. Albert, following the colorful and impressive opening ceremonies. Piper, Ordinary Cadet Paul Preston and Flag Bearers Ron Jacobson and Rick Rogiani of the RCSCC led the parade, followed by Mayor Ray Gibbon, MLA Ernie Jamison, Kay Carmichael, president of the St. Albert club, Shirley Fisher, bonspiel chairman, Noreen Troock, PR officer, and Irene Fletcher, publicity convener. Following Mayor Gibbon's welcome to the visiting curlers, he threw the first rock, while Mr. Jamison held the broom. Finals will be played Friday evening in the St. Albert rink.

## Carnival Week at Simpson school

Winter Carnival Week at Sir George Simpson school will open with the queen crowning ceremony, scheduled for 3 o'clock in the boys' gym, next Monday.

A variety night and penny carnival are planned for Tuesday evening when the gymnasium and the assembly area will both be pressed into service.

Wednesday morning the very popular hot dog eating contest will be staged in the boys' gym. This event goes from 11:15 until one o'clock, in which time it is expected a rather awesome number of hot dogs will be consumed.

It was not known at press time whether Enos fruit salts, Tums or other aids to a troubled digestion will be provided.

At any rate a whole day's

rest is programmed before the main sporting events of the carnival begin on Friday at 12:30. The annual carnival is staged for students, parents and staff at the school.

## Large Crowd enjoys Sweetheart Ball

The Lady Lions Sweetheart Ball drew a capacity crowd at the community hall Saturday evening, and everyone had a delightful evening. Loreta Cady convoked the event and Doreen Robinson acted as mistress of ceremonies, so that the Lions had a night off, with no chores to do.

President Bert Freethy introduced some special guests five couples from the senior citizens club who had a reserved table for the affair. Mr. and Mrs. Philip Morin and Mr. and Mrs. Peter Sernowski were guests of the Breakfast Lions, and joining them at the table were Mr. and Mrs. Leon Zubia, Mr. and Mrs. Philip Polloway and Mr. and Mrs. Mike Schrida, all of whom joined in the dancing and in fact quite often attend Lion social

functions.

Wall and table decorations made by Loreta and her committee added greatly to the festive atmosphere, as did the delightful valentine corsages presented to the ladies at the door. Spot dances and door prizes added to the fun and the versatile Combettes kept the dance floor crowded with numbers for every taste. Trio Catering served an excellent late supper. In all it was a great evening and the Lady Lions have heard a lot of complimentary remarks on their arrangements.

## Arts & Crafts plans Macrame workshop

On the weekend of March 2nd, fingers will be busy, at the Arts Centre, learning the basic knots used in macrame, and then, using this knowledge, creating original and attractive wall hangings, handbags, belts etc.

The session, part of the winter program planned by the Arts and Crafts Guild, will begin Friday evening, March 2 from 7 - 10 p.m. and continue Saturday from 10 - 12 and 1 - 5, and Sunday, 1 - 4.

Mrs. Carol Watamanuk, the instructor, has participated in many workshops of this type held by the Arts and Crafts Division, Government of Alberta. She has also worked in many crafts programs sponsored by the parks and recreation department in Edmonton.

Registration for the workshop is open to anyone interested. The fee of \$10 should be forwarded to the St. Albert Arts and Crafts Guild, Box 5, St. Albert before February 28. Participants are asked to bring their own supplies.

## Scouts take guided tour of museum

Eighteen boys of the 3rd St. Albert Scout troop and five adults visited the Provincial Museum last Friday, and took part in a two-hour guided tour.

The Moon display included moon rock, a space suit, camera and samples of the type of food used on space expeditions, as well as a replica of a module.

The boys were able to see and handle clothing and artifacts and also dinosaur bones. The guide gave a running commentary on the displays and background information on wildlife habits and other material related to the exhibits.

Further information may be obtained from Mrs. Lois Fokins, 599-7344.

### WEAVING

A weaving group has been formed in St. Albert and plans to meet regularly to exchange ideas and to learn

more about weaving with a loom. The group will be meeting Thursday, Feb. 22, at 7:30, at 39 Birch Drive. Anyone interested is welcome. Further information may be obtained from Mrs. Scholler 599-7770.

## PUBLIC HEARING

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to amend Schedule C of Bylaw No. 23/71 to include the following uses in a new C3A zone (Special Highway Commercial):

PERMITTED DEVELOPMENT - sale of new and used automobiles, sale of recreational equipment.

GENERAL REQUIREMENTS - a minimum of one square foot of floor area for display and servicing purposes is required for every ten square feet of site area.

The proposed Bylaw #8/73 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 19th day of March at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 13th day of March, 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

## Four Cheers For Council

The Editor:

Congratulations to the town council on their wise decision to ban snowmobiles from the river. It makes a lot of good sense — now a snowmobile from the east side of the town may travel the entire distance to Big Lake via our streets. This must be a much safer method of snowmobile travel than using the river, otherwise why would our wise council make this decision.

Snowmobiles are a minority group, so let's not give a minority group, such as the St. Albert Snowmobile Association a chance to prove themselves. I incidentally do not own a snowmobile nor do I have any great affection for this machine. With the advent of better weather there is another minority group about to raise it's noisy head, that of the motorcycleists.

But I'm certain there will be no problem there, as the town council will likely ban them from the streets and allow them the use of the river.

There is a group in town that does an admirable and efficient job, and that group is the sanitary engineering division. Regardless of weather conditions, lids are replaced properly, there is no spillage and cans are properly replaced.

Perhaps we should consider replacing those on the council who voted in favour of banning snowmobiles from the river, with some of the gentlemen from sanitary service. We just might find a marked improvement in council decisions, and I am prepared to put up with the resulting inefficiencies of garbage collection.

Bernard Rempel.

## Safety Council Reviews '72 Snowmobile Deaths

The controversy in St. Albert on whether to continue allowing snowmobilers to use the streets pictures the snowmobiler as a menace to pedestrians, a despoiler of lawns and shrubs, and a noisy disturber of the peace. On the other hand, the snowmobilers themselves claim they will police themselves and each other; they will regulate their own speed to 10 miles an hour on streets, and they will be careful to hurt no one.

The Alberta Safety Council's position is not so complex. The evidence is that the snowmobiler and his passengers are the ones killed and injured when they are allowed to mix with motor vehicle traffic and we are concerned for them to a greater degree than anyone else.

The principal reason for the snow vehicle operators' determination to have the right to endanger themselves appears to be a reluctance to load the machines on a trailer and transport them to open country. The Safety Council believes that no person who has purchased a snowmobile in Alberta was given to understand that he would be allowed to use the streets. Golf, hockey, baseball and football are all played on their own grounds and it is by no means a new suggestion for snowmobile

associations to band together to establish safe trails and runways in country where they do not come in conflict with cars and trucks.

The river in St. Albert adds a different dimension to the problem, and there it might be said that snowmobilers are a danger to tobogganers, cross country skiers, etc.

A Mr. Wally Semotuk speaking for the snowmobilers group in St. Albert says "Snowmobiling is becoming a serious recreation thing. The average operator is 29 to 34 years old, a family man and a responsible person."

In spite of good intentions and responsible action 44.8 per cent of all those killed in Canada last year were in the age group 25 to 44 years.

The number of fatal accidents last year, according to Canada Safety Council, was 102, in which 116 people were killed. 32.8 per cent were in the age group 16 to 24 years, while 12 per cent were above the age of 45 and 9.5 per cent were under age 15.

Lending emphasis to the need for segregating snowmobiles and motor vehicles is the fact that 65.7 per cent or 67 of the total fatal accidents occurred on public roads. These were identi-

fied as follows: 41 were on secondary roads, 19 on municipal roads and 7 on highways. Of the above, 23 were the result of collisions with parked motor vehicles. These 23 accidents caused 24 deaths and all occurred after dark.

19.6 per cent or 20 of the accidents occurred on lakes or rivers, 12.7 per cent or 13 fatal accidents occurred on private property, parking lots, railway right-of-way, private driveways or roads. Eight of these were on railway tracks.

Only two per cent of the

Representatives of various faiths will conduct the service.

Refreshments will be served in the church basement. Everyone is cordially invited to attend next Friday evening at 8 p.m.

fatal accidents occurred on trails or in parks.

101 of the 116 deaths occurred in Ontario and Quebec, provinces which permitted snowmobile operations on roads unless the local authorities took action to ban them. The law in Alberta which bans snowmobiles from roads EXCEPT when permitted by the minister or by municipal bylaw has probably saved dozens of lives. Most municipalities have had the good sense to permit the provincial prohibition to stand.

## Senior club aids petition

President Lilly Szuba of the St. Albert Senior Citizens Club has distributed petition forms from the Ad Hoc Committee on Old Age and Veteran Pensions, to various locations on the Mall and downtown St. Albert.

The petition urges all members of the Federal Parliament to do everything possible to bring about a significant increase in Old Age and Veteran Pensions immediately. Anyone 18 years and over may sign the forms.

She plans also to see that Mr. Doug Taylor of the Legion gets sufficient forms, since that organization is interested particularly in

the Veterans. The forms will be gathered for return to the Committee by Feb. 28.

Mrs. Fritz, secretary for the committee was most grateful for the support of the St. Albert Senior Citizens in circulating this petition.

What fun vehicle available to winter sports enthusiasts is faster than a snowmobile, carries two people, is easy to transport, creates neither air nor sound pollution, and costs nothing to operate? Answer: the ice yacht, now manufactured and sold through dealers across Canada by Sall-Rite Ltd., Scarborough, Ont.

Until a couple of winters ago it was rare to see even half a dozen ice yachts on a frozen Canadian lake. This winter, you can sometimes see two or three times that number. It can never be a big market, but nobody has yet found an objection to ice yachting. It's fun and it leaves the ecology undisturbed.

## Columbian Girls Choir coming to St. Albert

The Columbian Girls Choir will be appearing in concert at Sir George Simpson School on Sunday, March 4 at 8:30 p.m.

This interdenominational group of 104 girls (ranging from 12 - 18) was started in 1966, and they have won top honors in the Kiwanis Festival.

Sponsored financially by the Edmonton and St. Albert Knights of Columbus the girls are conducted by Mr. Paul Bourret supervisor of music for the Edmonton Sep-

arate School Board. Their accompanist is Mrs. Betty-Mae Williams.

The group which is planning a cabaret of music, recently held a singing workshop in the Star of the North Retreat House. The girls sing all types of music from fun to serious to classical and are performing this weekend in Peace River.

The choir's objective is enjoyment of good music and an education in choir music. They are being sponsored in St. Albert by the Pitch and Spice Choir.

## Sweet Adelines show should be great fun

The Edmonton chapter of Sweet Adelines will present a production featuring guest performers and variety acts in the Student Union Theatre on the University of Alberta campus on Feb. 24 at 8 p.m.

"That's Entertainment" will be featuring guest quartets from Scarborough, Ontario and Calgary, Alta., as

well as added variety acts, not to mention the Gateway Chapter's own colorful renditions of songs for young and old, under the direction of Gene Hagen.

In the Chapter boasting nearly 60 members, nine of them hail from St. Albert: Paulette Van Adestine - Bass; Helen Alain and Leona Luchko - Baris; Ann Wright and Isabelle Morissette - Tenors; Gloria Busch June McPherson and Sheila Willis - Leads.

These ladies attend rehearsals every Tuesday evening at Augustana Lutheran Church, 9901 - 107 St., at 7:50 p.m. and welcome all interested women to join them.

Sweet Adelines is a non-profit organization, made up of women whose main purpose is to educate its members in the art of four-part harmony, barbershop style. They share their love of singing with those in hospitals, and senior citizens homes, and are also available for conventions, banquets, etc. For enquiries phone Ann Wright, 599-8408

Due to the accused boy's age and previous good record, the judge instructed the jury to bring in a verdict of not guilty. Rising, the foreman of the jury announced: "Your Honor, we find the boy that stole that car not guilty."

## RECREATION HIGHLIGHTS

### GARDENING:

On Thursday, March 8 a meeting will be held in the Clubhouse which should be of interest to all would-be gardeners as well as those who feel their gardens are below par.

Mr. Wally Klatt, district agriculturist, will be present to give general guidelines on landscaping and advice on what grows best in this area: types of grass, trees, shrubs, what kinds of fertilizers to use on what, etc. These are a few of the subjects which will be discussed.

The meeting will start at 7:00 p.m. Coffee will be served and there will be time for discussion and the exchange of gardening experiences - good AND bad!

A record of the Columbian Girls Choir will be selling at the door and tickets are available at Sweetheart Jewellers or from any Pitch and Spice member.

## Comets win opening round in Provincial Playoffs

St. Albert Willowbrook Comets won their first round of the provincial intermediate hockey playdowns with two straight wins over Ray's Esso.

Comets won the two-game total goal series 12 - 7 as a result of a close 6 - 5 win last Tuesday and a 6 - 2 triumph Sunday afternoon. Both games were played in the St. Albert and District Arena and were well attended.

Comets will now travel to Jasper this Saturday, and will be home on Sunday for the second game of the series. Game time is slated for 2 p.m.

Tuesday's game was dominated by the Henry Hodgson - Ted Rogers - Harvey Kirkland line who counted all six goals and added seven assists.

Hodgson scored three including the winner, Rogers added a pair and Kirkland banged in the other.

Rogers scored the only goal of the opening period at 19:17 after being set up by Hodgson and Rich Perrault.

Ray's came back strong in the second period as they outscored the Comets four goals to two. Ray's tied the score at 6:15 on a goal by Rod Whelan.

Hodgson put the Comets ahead at 7:35 with coach Gary Checknita helping out, and a minute later Rogers scored his second of the afternoon to give St. Albert a 3 - 1 lead. Hodgson and Kirkland drew the assists.

The second half of the period was all Ray's Esso as they scored three straight goals to take a 4 - 3 after two periods of play.

Comets came out flying in final period with Kirkland banging in a shot from about 20 feet out as Hodgson set him up perfectly at 1:22.

With Ray's sitting out a tripping penalty, Hodgson scored a power play goal at 6:36 with Perrault and Rogers helping out. Hodgson completed his hat trick at 18:38 with both linemates picking up assists. The goal gave Comets a 6 - 4 lead and turned out to be the winner as Ray's scored with only 19 seconds left in the game.

Hodgson received a penalty shot early in the third period but failed to score. The game was cleanly played with Comets taking eight of 12 penalties.

Sunday's game was never in doubt after the first period as Comets came up with two in the second and added three more in the third to take the

series.

Ron Fournier opened the scoring for the Comets at 5:14 of the first period on passes from linemates Al Laplante and Jim Read. The goal gave the Comets a two goal total goal lead of 7 - 5. Gerry Mitchell scored a power play goal for Ray's at 7:14 with Brian Stevens sitting out an elbowing infraction.

Comets sewed up the game in the second on Fournier's second goal from Read and Laplante at 11:43 and Gary Checknita popped in a power play goal four minutes later. At the end of the second period St. Albert had a 9 - 1 lead and were well in control of the game. Comets added three more in the final 20 minutes to put the game out of reach as Kirkland, Stevens and Perrault scored.

Comet goalie Zane Jakubec played a strong game in goal and if he remains hot it will be tough to beat the Comets.

Coach Checknita is very pleased at the team's performance and is getting goals from both top lines. The checking line of Wally Monson, Doug Bell and Brian Stevens are playing very well.

Comets next home game will be this Friday, when second place Stony Plain Eagles will be here for a game at 8 p.m.

Front row: Earl Evaniew, Anil Sharma, Noel Ethier and Les Gagnon.

## Father Jan Sweeps Basketball League

Both the girls and boys basketball teams had an extremely successful season going undefeated in league play. The season began Jan. 17 with a very successful tournament hosted by Sir George Simpson School. This tournament was held as a warmup to regular league play.

## St. Albert High undefeated in league Basketball

The girls and boys senior basketball teams from St. Albert High completed league play on Friday evening with wins over Ardrossan and until these wins both teams ended the season with six wins and no losses.

The girls team, coached by D. Chuff and the boys, coached by J. Marchand, have provided entertaining basketball and the fan support at home games has been good.

On February 24, the two teams along with the cheerleaders, will travel to Ardrossan for the conference playoff. The conference winners will then advance to the zone competition to be held at St. Albert on Saturday, March 3.

League play consisted of a home and home series with three schools involved.

Perhaps the most exciting and tense basketball game was displayed between Father Jan and Simpson boys. The first game played was decided in overtime with Father Jan victorious by six points. The second game had Father Jan victorious by one point in regulation time.

The following are the final league standings:

GIRLS	W	L
Father Jan	4	0
Sir Alexander Mackenzie	2	2
Sir George Simpson	0	4

BOYS	W	L

## Morinville meets Calahoo in Sturgeon Valley Finals

Calahoo Scorpions and Morinville will hook up in a best of five final for the Sturgeon Valley Senior Hockey League championship. Calahoo eliminated Legal Canadians in three straight games while Morinville edged Bon Accord in five games.

The Calahoo-Legal series was over last Tuesday, Feb. 13, 1973, with Calahoo scoring a close 5 - 4 win on Doug Louches goal with only 55 seconds remaining in the game.

Calahoo had opened up a 2 - 0 first period lead on two goals by Andre Contant.

Ray Brisson scored the only goal of the second to get Legal back in the game.

In the third period Legal came out strong with Guy Charrois scoring the tying goal and Laurent Coulombe putting them ahead 3 - 2 at the 8:43 mark. Calahoo evened the score at 3 - 3 on a goal by Jay McGeough at 10:20 but Legal again took the lead when GIB Davis scored at 13:15.

Calahoo fought back to tie the game at 13:50 when Dale McMillan scored a power play goal with Ray Brisson sitting out a boarding penalty.

Legal then were eliminated from the series on Louch's goal at 19:05 as they were short-handed with Ronald Boisvert out for a bench penalty.

The other best of five series between Morinville and Bon Accord went the dis-

FRED HESSE

talance. Morinville won the first game but then lost the next two and were only one away from being eliminated. With their backs against the wall they won a high scoring 9 - 6 win on Friday after trailing 4 - 2 at the end of the first period.

Rick Pugliese led Morinville's attack with three goals and also helped out on two others. Fred Hesse added a pair while singles went to Dexter Dersch, Norm Bohl and O'Neill Chevalier. The showdown on Sunday was all Morinville as they dominated the game from start to finish.

Fred Hesse scored from a goal-mouth scramble at 12:03 of the first period to put Morinville ahead 1 - 0. Rick Pugliese assisted on the goal and also set up O'Neill Chevalier at 19:35 to give Morinville a 2 - 0 lead.

Dave Quintal also assisted on the goal.

Morinville ran the score to 3 - 0 on Dexter Dersch's goal at 5:28 of the second.

Bon Accord's leading scorer Barry Campbell finally beat Morinville goalie Richard Cosgrave at 12:30 to get on the scoreboard.

Rick Pugliese gave Morinville a three goal lead again at 15:03 with Chevalier and Hesse drawing assists.

Morinville added insult to injury when while killing off a tripping penalty, Pugliese stole the puck and went in alone on Roger Knapp in the Bon Accord net. Knapp managed to stop Pugliese's shot but Chevalier was there to put the puck in the empty net and give Morinville a 5 - 1 lead.

Mike Bashara put them ahead 6 - 1 and Richard Wright scored their final goal.

C. Wolansky scored late in the period for Bon Accord with the final score 7 - 2 in favor of Morinville.

The final series should be an excellent one. Calahoo are favored to win the series but will have to contain Hesse, Pugliese, Chevalier and Bohl. All are veterans of the game and all played for the St. Albert Comets senior hockey team two years ago.

On the other hand Morinville will have to keep an eye out for the Contant brothers as well as speedy Jay McGeough and Dale McMillan.

All games will be played in the Morinville Arena. The second game of the series will go Friday night at 8 p.m. and the third on Sunday afternoon at 2 p.m.

## Coaching change fails to help slumping Bruins

New coach Ron Yanosik now knows how ex-coach Rick LeLacheur must have felt the past few weeks.

Bruins have been in a prolonged slump and LeLacheur felt the boys needed a change and stepped down to allow Bruin President Yanosik to try and get the team rolling.

He couldn't have picked a tougher time to step in as the Bruins next league game would be against the U of A Beacats.

As has been the case the last three games, the Bruins scored the opening goal with Jim McComb pulling the trigger at 3:33 on passes from Bob Wallis and Alex Jensen. Bruins had control of the game until the 7:00 mark when B-B McVey scored for the Bears to tie the game at 1 - 1. Bruins then appeared to go into hibernation, allowing McVey to score two quick goals at 7:20 and 7:42. Bears scored twice more before the period was over and had a commanding 5 - 1 lead.

They increased the lead to 8 - 1 in the second before

Alex Jensen scored the Bruins second goal at 14:59 with assists going to Wallis and Kelly McAvoy.

Beacats added another goal late in the period to take a 9 - 2 lead after two periods.

Bruins took six straight penalties in the final period and Beacats took the advantage, scoring two goals, as well as three others.

Jan Kristensen and Dave Lockhart scored for St. Albert late in the period.

Bruins goalie Brad Rix had a terrible game and couldn't have stopped a basketball, let alone a puck.

In view of Rix's performance it makes one wonder why spare goalie Larry Wanagas didn't see any action.

Bruins next home game will be this Sunday at 2 p.m. when Sherwood Park Knights will be in town.

The Bruins will play their final game of the 30 game schedule on Tuesday at home against North Side Comets.

## Student's Bonspiel

The St. Albert Curling Club is sponsoring a bonspiel for all junior and senior high students on Saturday and Sunday the 24 and 25. The ice and trophies have been donated and local merchants have also donated some prizes for the spiel.

The organizers of the spiel are encouraging participation and want as many students as possible to sign up. Draw times and teams will be posted at the various schools on Thursday and Friday.

There are three events in the spiel and last year's winner Hugh Donovan will be back to defend his championship.

Alberta's RCMP Centennial Hockey Team shown above comes from the Edmonton Sub-division after eliminating entries from all four other provincial sub-divisions in a recent playoff series. Other teams involved represented Calgary, Red Deer, Peace River and Lethbridge sub-divisions. The provincial champs are now waiting to measure themselves up against other provincial champs in Regina during the latter part of March. It's of special interest to note that two members of the Alberta RCMP Champs live in St. Albert. Corp. Dan Vars is also a member of the local detachment while the other local resident, Lyle Bennett works out of 'K' Division in Edmonton. Back row left to right: Bert Lambert, Paul Tetreault, Gord Button, Lyle Bennett, Steve McNell, Bob Williams, Phlen Notenboom, Brian Brook, Dan Vars, Paul Fatjewski, Dave Lee, Gary Chaters, Lloyd MacDonald, Gary Bridger, Damon Kondro. ## Commercial League

Premier Esso scored an upset 8 - 3 win over St. Albert Pharmacy last Wednesday in a game that saw the Pharmacy take 14 of 18 penalties. Fergy Evans scored three times to lead Premier while Darwin Schwartz, Cal Swain, Dave Moxil and Dave Turner added the others.

On Thursday St. Albert Esso hung a 13 - 0 whitewash on Kinsmen Warriors. Pat Lockhart earned the shutout. G. Weisner scored four goals to lead Esso while Jake Joly and Joe Laplante had a hat trick each. Belcourt Construction easily defeated Kinsmen Warriors 11 - 7 Monday night.

with Darrel Knox, Charlie Gallagher, Bill Reynolds getting two goals each to go along with T. Mills hat trick. B-b Thorpe with three and Larry Mitchell's pair paced the Warrior scorers. Ed Rusnak and Gord Hollett added the others.

Mayor Ray Gibbon dropped the puck and thus started the five-team RCMP Centennial hockey playoff here Sunday, February 4. The teams squaring off on St. Albert Arena ice that Sunday were Calgary and Peace River. Shown above left is Calgary's centreman while at right is centre for the Peace River subdivision team.

## Pee Wee BB Lancers top 5-team league

The St. Albert Pee wee BB Lancers by virtue of 14 wins and two losses, ended the season on top of the five team Northern Albertamino hockey league. The Lancers success can only be attributed to team work as these 15 boys gave 100 per cent everytime out. Larry Sander the captain and Todd Winkult the alternate emerged as the leaders on and off the ice.

Doug Bendera a defensive star, along with Dave Fraser, and first year peewees Bernie Joyal and Terry Harkness have made very few mistakes.

The great line of Ken Young, Murray Riddell, Brian (the Lip) McCann, has been rumored around the league as the toughest line to defend against, as they never stop moving. Ray Enright, one of the best checkers in the league, scored four short handed goals. Mark McLoughlin the big strong winger, digs the puck out for Larry.

Then there is Alan Malo

who plays on a line with Ray, doubles on defence, and is above average in the league in stature but probably the biggest in heart. Goaltending chores were handled most of the year by Francis Tworek. At the end of the season he got back-up help

## Soccer sessions draw big turnout

The soccer training sessions which are being held in the Sir George Simpson and Sir Alexander Mackenzie school gyms have resulted in attendances that have far exceeded expectations.

In order to limit the number of boys attending, consistent with the size of the gyms, coaches will be reducing attendance to approximately 15 to 20 boys at each session. While it is regretted that boys may not be able to attend every week it is hoped that the reduced group would attend every second week. Coaches will

be advising boys accordingly this week. We are missing strips from the Falcons and Hawks plus a few other local and premier league uniforms and two soccer balls. We would appreciate anyone still having any soccer equipment in their possession advising Ken Armstrong at 599-8081 so that it can be picked up.

Early in March we shall be holding our final registration night. After this time registrations will only be accepted if additional players are needed to fill out the leagues.

from Carmen Cook. These two kids ended up with a 2 - 3 average which speaks for itself. In league play the Lancers scored 113 goals with 37 against. In six exhibition games they scored 41 goals with 17 against.

The Father Jan Girls won the Willowbrook Homes Trophy after eliminating teams from Sir Alexander Mackenzie and Sir George Simpson. The school basketball championship trophy was presented Tuesday morning by Rudy Scheibelhofer, president of Willowbrook Homes Ltd. Back row, left to right: Kathy Hoffart, Sheralee Ohotinsky, Sharon Tulloch, Pat Demers, Cindy Reinbold, Joan Powers, Edna DeChamplain, Bob Brescia (coach), and Bernice Dolphin (captain). Front row: Theresa Ogonoski, Madeline Caouette, Collette Hebert, Theresa Sanche and Isabelle Ethier.

## Peewees

Last Saturday one of the most exciting games of the season was played at the arena between the Voyer Vagabonds and the St. Albert Legion.

The action was hot and heavy with first one team threatening to score and then the other. Both goalies were outstanding in the nets. With two seconds to go and a scramble around the Vaga-

## Credit Union plans big evening

The St. Albert Savings and Credit Union are holding their annual meeting and dance at the Community Hall on Saturday when proceedings get underway with a smorgasbord at 6:30 p.m.

The meeting, which includes election of officers, ONLY 65¢ for 10 words - Ph. 599-7144

annual reports and new building plans, will be held from 8-9.

The Rhythm Royals will be on the bandstand for the evening of dancing and refreshments to follow.

There is no charge to members attending the meeting only and for members taking in both meeting and dance it is \$2 per person. Admission is \$4 per person for those taking in the whole evening, and those taking

in the smorg are asked to pick up tickets by Thursday, Feb. 22 at the Credit Union office or from executive members. This annual event is again expected to attract a good crowd.

## No. 3 School Bd. Trustee Hawrish Elected Chairman

Mr. E. Hawrish, trustee of the St. Albert Public School Board was recently elected chairman, thus replacing Don LaBelle who resigned in December to take up a new position in Ottawa. Elected vice-chairman of the board is D. Fraser, a distinguished member of the No. 3 Board for several years who stepped down as chairman in 1972.

ERNEST HAWRISH

Mr. LaBelle's resignation brought about a vacancy which was filled by Mr. S. Sieben who was elected by acclamation January 3.

The board unanimously approved a motion by trustee Alan Gannon that Father Jan, Vital Grandin and Albert Lacombe schools close dur-

ing the afternoons of Feb. 28 and March 1 to allow teachers an opportunity to interview parents of school students. This motion followed a recommendation by School Superintendent Vince Maloney that parent-teacher interviews be held during the afternoons and evenings of Feb. 28 and March 1.

Newly-elected trustee S. J. Sieben made a motion that board meetings continue to be held on the second and fourth Wednesday of each month. The motion was carried.

Chairman Ernest Hawrish

appointed the following committees: Finance, Hawrish and Sieben; Buildings and Sites, Hawrish and Fraser; Salaries, Fraser and Gannon Board representative on the Policy Committee, Mrs. Walsh.

## Stress & Safety topic of speaker here on Monday

The St. Albert Safety Council has invited Mr. Terry Fannon to speak on "Stress and Safety" at the Clubhouse on Grenfell Ave., Monday, February 26, at 8:30 p.m. He will discuss life styles and change - going into some of the ideas covered by the filmman Journey TV series and also some of the contents of the book "Future Shock" by Alvin Toffler.

A film called "Understanding Stresses and Strains" will be shown during the evening and Mr. Fannon will stay afterwards to act as a resource person should anyone wish to become involved in an in-

formal discussion after his talk. Coffee will be served. The Safety Council urges anyone interested to attend. Stress can affect your safety and those around you in many situations - at home and in traffic.

The talk will be interesting to teens as well as adults. Mr. Fannon has promised to bring some printed materials suitable for both age groups.

The St. Albert Safety Council will also be presenting first aid courses for teens and adults later on this year. Would anyone who is interested in these please phone Mrs. Barbara Wheatley at 599-3894.

## Toastmistress speech contest

The Sturgeon Toastmistress Club held their mini speech contest on Feb. 14, at the Lecture Room in the Library.

Each speaker was given her subject one week prior to the contest and asked to speak for three minutes.

Lorry Saunders, Nadia Scott, Iris Chodan, Dorothy Gault, Doreen Robinson, Marilyn Page and Donna Peterson competed in the contest, and the winner of the mini speech contest was Donna Peterson.

The maxi speech contest will be held at the next meeting on February 28, in

the Lecture Room of the Library. This will be a very interesting meeting as the winner of the maxi contest will go on to compete at the regional contest in Edmonton.

The Sturgeon Toastmistress Club extends a cordial invitation to anybody wishing to attend the meeting. Guests and new members are always welcome.

## No. 6 S.D. Urges School Bus Change

The St. Albert Protestant Separate School District No. 6 approved a paper tabled by board chairman C. E. Schroeder, directed to E. F. Bartock and L. W. Matthews of the Department of Education in reference to a study on school transportation. The St. Albert No. 6 board, in its paper, made the following observations and recommendations for the Department of Education's consideration.

The Board contends that the criterion used by the Department of Education to establish pupil eligibility for grant-supported transportation forces school jurisdictions, because of financial constraints, to adopt inequitable busing policies which create continuous parental dissatisfaction.

Since grants are not paid for those pupils "who reside within 1-1/2 miles of the school they attend," the width of a street is often the deciding factor that houses eligible and those in the house opposite ineligible. Moreover, this rigid limitation prevents the board, without cost to the district, from making special provisions for young children who live less than 1-1/2 miles from school. As a result, illogical situations frequently occur where a teen-age student rides the bus while a neighboring primary pupil walks.

The Board also believes that this inflexible pupil eligibility regulation is incompatible with the department's directive to maximize the utilization of classroom space by following a flexible policy in the designation of school attendance areas. Parents would be more amenable to having their children (particularly those in division one) transferred from the "neighborhood school" if the pupils affected were eligible for grant supported busing when they live a MILE or more (instead of 1-1/2 miles or more) from the school they are designated to attend.

It is therefore recommended that the Department of Education establish a flexible regulation governing school grants for pupil transportation so that the board can adopt a more equitable busing policy based on pupil needs, which may include conveying elementary children who live a mile or more from the school they must attend and busing pupils during winter months only. While additional funds would be most welcome in order to improve school busing services, the board does not expect further financial support under more flexible regulations, but does request the opportunity to establish its own busing priorities.

## Figure Skaters Excel In C.F.S.A. Tests

The St. Albert Figure Skating Club is proud of the success of the girls skating in the Canadian Figure Skating Association tests. The club has only belonged to the CFSA for two years and the majority of the girls passed their tests. These young ladies have reported for skating practice at six o'clock in the morning for two mornings a week all winter long and the number of hours of hard work that they put in this year paid off during the testing days of Jan. 5 and Feb. 16.

On Jan. 5, Janet Duttall, Annette Koedam and Cheryl Wakefield passed their preliminary tests in CFSA figures and Susan Pavelich passed her second Canadian test.

On Feb. 14 Heather Tomlinson and Viviane Blackburn passed their CFSA second figures; Belinda Moore her first and Denni-Lou Gibson and Janet Kay their preliminary figures.

Twenty girls went through 44 dances on test night, dancing the Dutch waltz, canasta tango and the swing dance for the seven different levels of dancing with each level containing three dances. Wendy Hitt, Kim Ramery and Jackie Sabourin passed the Dutch Waltz, Cathy McLoughlin, Denni-Lou Gibson, Becky Heuermann, Carolyn Thomas, Annette Koedam, Janet Duttall, Edith Hunt, Rena Tate, Cheryl Wakefield, Valerie Thomas

In pairs, left to right: Belinda Moore, Janet Kaye, Caroline Thomas, Kim Ranev, Avril Bradley, Val Thomas, Edith Hunt, Viviane Blackburn, Denni-Lou Gibson, Heather Tomlinson, Annette Koedam, Kathy Husband, Cathy McLoughlin, Jackie Sabourin, Becky Heuermann, Beth Heuermann, Janet Duttall, Susan Pavelich, Rena Tate, Cheryl Wakefield, Wendy Hunt, Joanne Hunt.

Avril Bradley, Linda Matear, Beth Heuermann and Kathy Husband all passed their Dutch Waltz and Canasta Tango.

Cheryl Wakefield, Allan Carver, Avril Bradley, Valerie Thomas, Linda Matear, Beth Heuermann and Kathy Husband all passed the Swing Dance, giving them a total of three dances and their preliminary dance and now will carry on to Junior Bronze Dance.

Junior Bronze consists of the Fiesta Tango, Willow Waltz and the Ten Fox. Linda Matear, Beth Heuermann

and Kathy Husband passed the Fiesta Tango; Susan Pavelich passed the Willow Waltz and Viviane Blackburn passed the Ten Fox.

The next step is on to Senior Bronze which consists of the Fourteen Step, European Waltz and Fox Trot. Viviane Blackburn and Heather Tomlinson passed the Fourteen Step.

The figure skating executive meetings are a fine place to pick up tips and if you are new at figure skating or are thinking about enrolling your daughter next year some very important

things to remember when she is working very hard to excel is that her skates must fit her well and they should be sharp. The testing for the girls continues this month and will go on until the girls start working on the carnival.

# Comedy - Tragedy - Bedroom One-Act plays had all - fine amateur theatre

If you didn't attend St. Albert on Sturgeon Players' Tenth Anniversary "Evening of One-Act Plays," you missed some of the best Amateur Theatre the town has seen in years. It was all there, comedy, tragedy, even the ever popular suburban bedroom. Make a note now to be there next time around.

The evening got off to a

good start with Susan Glasspell's "Suppressed Desires," under the direction of Mrs. Joanne Reinbold. This comedy, which stretches the sublimity of psychoanalysis to the ridiculous of unlearned application, had its good moments and its bad moments but fortunately there were more good than bad. Three young actors, Geri Peterson,

David Scammell and Valerie Osborne did a good job of carrying off this piece which has become somewhat stilted in time. In time, however, these three young people will no doubt become more facile in timing and delivery which are the essence of productions of this order. At the moment, though, their performances gave us pleasure.

David Scammell worked

hard at playing the frustrated Step hen Be rwes ter in the face of his over-bearing wife Hen rietta, which was played by Miss Osborne, and in the crunch their marriage looked real. Geri Peterson, the naive Mabel, was a good foil for both, displaying continued growth as a young performer.

"Save Me a Place At Forest Lawn," ably directed by Don Mills, was the highlight of the evening as Shirley Martin and Marcia Scammell fenced and forgave as those two delicious old ladies you see in all of the cafeterias of the world. But there is tragedy here as well as comedy and this is where the play was most successful. These two show a well developed sense of timing and of emphasis and while the comedy of two old ladies discussing their "last resting place" is where the comedy lies, the tragedy is that they are discussing it at all. Their preoccupation is with dying and not with living and in the face of this some beautifully delivered lines stand out in stark relief.

In the end these ladies help you to reach two conclusions:

1) "You are going to rot, I don't care how you wrap it"

2) "Life stutters with it." Lines like this are comic enough on the surface but as the ladies reflect, the tragedy sinks in.

Harold Pinter's The Lover is a different kind of thing again, but it has its tragedy too, and this tragedy can be seen in the bedroom boredom of the marriage of Richard and Sarah. These two, played by Richard Young and Karen Enright, struggle to infuse some new life into their worn-out marriage by some strange subterfuges. In the end Richard is still the frustrated, bored, husband and Sarah is still the neurotic, hemmed-in housewife. None of their diversions succeed and even Peter McCaffery, the milkman, is unable to shatter the illusion which they create. That the illusion was real to the audience is a credit to the performers and the director, Ray Hunt.

It was a good anniversary party. It would be even better if such anniversaries were more frequent.

## No. 6 School Board Takes Over New P.K.

On Monday, February 19 members of the St. Albert Separate School Board, along with architects of the new Paul Kane High School Wood and Gardiner Ltd., and several officials representing Bennett and White Construction Co. Ltd., builders of the \$1.5 million school gave the entire complex a thorough inspection with a view toward accepting the finished building.

With minor recommendations, chairman of the board Charles Schroeder and his board of trustees agreed to accept the completed building once final recommendations had been fulfilled and the board has set March 5 as school opening day.

Chairman Schroeder pointed out however, that although the new school facility will be operational from March 5, the official opening will be announced at a later date.

According to present school board plans, Lorne Akins Junior High will be

vacated by March 5 and from that date it will undergo a thorough cleanup and some renovations will also be made. Secretary Treasurer George Hargreaves told The Gazette that the board was successful in having a Local Initiative Program grant of \$14,500 which will go towards painting, floor repairs and other renovations. With these plans in mind, Lorne Akins Junior High will thus be ready for the 1973-74 school term in September.

No. 6 School District supporters are invited to attend the Feb. 23 regular meeting at which local developers will discuss future school sites.

At its February 14 regular meeting, the St. Albert Separate School Board approved unanimously to submit various data of public interest to the Library for future reference.

Shirley Martin as Clara and Marcia Scammell as Gertrude, ham it up with Don Mills, director of the play - Save Me a Place at Forest Lawn.

Cast and crew from Suppressed Desires: Valerie Osborne, left, Dave Scammell, Colin Egan, Geri Peterson, Ron Pettigrew, Christie Egan and Director Joanne Reinbold.

## Moscow Circus Starts Feb. 21 In Gardens

"The Great Moscow Circus is one of the best of its genre in the world," says Variety, most authoritative publication of show-biz on the continent.

A second version of the Circus selected from over two thousand individual acts consistently travelling

throughout the Soviet Union, comes to Canada from February to April for a total of 70 appearances in six major cities and Edmonton is fortunate in having been selected as one of these -- and will be seen for seven performances at the Edmonton Gardens opening on Feb. 21.

The Circus is sponsored locally by the Edmonton Exhibition Association Limited.

## PSS Initiates \$9,829 LIP-Backed Projects

Three St. Albert areas of community services have been receiving additional attention since late January through the approval of a Local Initiatives grant, applied for by the Preventative Social Services. The projects include co-ordination and the promotion of senior citizen activities, similar efforts for St. Albert youths, and education and co-ordination towards pollution control and environmental cleanup.

It is generally accepted that much voluntary work has gone into these three social areas, by other factions of the community, however, St. Albert's Preventative Social Services board members felt that LIP funds could be put to good use in these three areas of concern, and will assess the results when the undertaking is completed May 31, 1973.

Mrs. Mona Acker, PSS director said that the need for assistance in these three social areas were made evident through recommendations tabulated recently in the Charette Report, and discussed often and at great length while the five-day Charette was being held in October of last year. It was following this social experiment (The Charette) that the PSS board decided to make application for LIP funds.

Hired to promote and further co-ordinate the senior citizen phase of the LIP - funded project is Mrs. Lilly Szuba, 42 Birch Drive, who is also president of the Senior Citizens' Club, a group of St. Albert who meet regularly twice a month and participate in a wide variety of activities. Mrs. Szuba, while working only on a part time basis hopes to enlarge the senior citizen group, involve all potential members and also expand home and institutional visitations.

Cathy Hainsworth, a sociology graduate from the University of Alberta is the member of the team hired as the environment protection worker. Cathy has already

Local Initiative Program workers employed in a three-pronged project here in St. Albert are: Cathy Hainsworth, environment protection worker; Denis Machney, youth worker; Mona Acker, PSS director who initiated the project with several of her board members. shown her talents with acumen depicting local eye-sores. She was responsible for promoting the Bee-In scheduled for tonight at the Teen Centre and plans to work with local Girl Guide troops, initiate further paper drives and perhaps have more paper bins established in town. Cathy, a former St. Albert resident, lives in Edmonton.

The third full-time employee is Dennis Machney, a three-year arts student at the University of Alberta and majoring in sociology. Dennis lives in Edmonton and was hired for the job because the local PSS board could not find a local applicant for the job with Dennis' qualifications. The 21 year old youth worker has his job really cut out for him. This includes helping local youth help themselves. Dennis also feels that more drop-in centres are required for St. Albert, like the present Teen Centre and will also look into the possibilities of stimulating enough interest with local youths to establish such fac-

ilities and other projects.

Christine Tyrkow of 76 Grandview Ridge is the fourth member of the LIP crew and her duties are defined as secretary and administrative assistant. Christine explains that her titles appears to be quite sophisticated but her work simply involves manning the Community Services telephone, co-ordinating appointments for the other members of the staff and thus helping wherever she can.

Funds approved by the Manpower and Immigration Department, Local Initiatives Program come to \$11,616 covering wages for three full-time and one part time employee from December 1972 to the end of May, 1973. This sum includes salaries at the rate of \$100 per week for each full time worker and \$80 per week for the part time worker, Mrs. Lilly Szuba. Average monthly expenses including telephone, office machine rental, holiday pay, O.U.C. contribution, Canada Pension and the such come to \$269 for four

(4-week) months and \$331 for two (5-week) months. In total, wages approved come to \$9,880 and expenses \$1,738.

However, these figures had to be altered because the LIP application was filed in November of 1972 and approval was only received in January. Therefore, December allocations had to be removed from the budget resulting in the following totals: January to May 31 wages come to \$8,360 and expenses for the same period come to \$1,469, it's interesting to note that out of the average monthly expenses, there's \$70 for the rental of the Teen Centre. \$60 of this is being turned over to the Coffee House to be used for repairs of these quarters.

In qualifying the terms of the Local Initiatives Program, Mrs. Acker explained that the federal government pays wages at the rate of \$100 per week per worker plus up to 17 per cent of the expenses involved. Therefore, the PSS promoted LIP program for senior citi-

## Local puppeteers perform in city

After a very successful afternoon puppet show at the St. Albert Public Library last Friday, the puppeteers, a group of Saturday morning hobbyists, took their show to the Capilano Branch of the Edmonton Public Library for a Saturday morning performance. The puppeteers performed as part of a regular Saturday morning children's hour and drew a crowd of about 30 boys and girls.

The show consisted of a number of skits and songs using the popular Muppets. It is hoped that the Capilano Puppet Club will be able to perform in St. Albert in return.

The puppeteers, all active Saturday morning hobbyists, were Grant Lock, Martin Alderton, Kerri Kamma, Claudette Berard, Debbie McCue, Dean Ott and Arthur Berard.

zens, environment control and youth development is entirely covered by the program and not funded in any way by the town. The only cost to St. Albert is the PSS Director's time devoted to the project.

Mrs. Acker promised The Gazette that a thorough assessment of results of these three projects will be made after the May 31 closing date and issued for publication.

Sgt. E. L. Rheault, commander of the St. Albert RCMP detachment presented Mayor Ray Gibbon Monday night with one of the first RCMP Centennial Medals awarded thus far during the famous police force's centenary. The presentation was made in recognition of the part played by Mayor Gibbon in recent hockey competitions when the St. Albert Mayor dropped the first puck for the playoff series. This was also the RCMP's way to say 'thank you' to the Town of St. Albert for making ice time in the arena available for two RCMP playoff games.

## Ruptured Power Cable Results In Blackout

A sliced underground control cable interrupted power to St. Albert and surrounding areas for as much as 46 minutes last Thursday morning.

Contract crews working at Calgary Power's North Calder substation at 156 St. and St. Albert Trail cut into the cable at 8:36 a.m. The cable controls electrical equipment to the substation that feeds main lines serving St. Albert, Morinville, Jasper Place and rural services within the area. Most areas had power restored within minutes via alternate routes, and St. Albert was restored at 9:22 a.m.

A second interruption at

noon was required to complete repairs to the control cables.

Talk about inflation. During the Klondike gold rush of 1898 men paid five dollars for an onion and \$15 for an old newspaper stained with bacon grease which was used as a substitute for window glass.

The owner of the Aurora saloon in Dawson City in 1898 sold a mugful of milk over his bar for five dollars a shot, five times the price of a shot of whiskey.

## Presbyterian Minister To Be Inducted

The minister of Braeside Presbyterian Church, the Rev. Noel Gordon will be inducted into the St. Albert congregation by the Presbytery of Edmonton at a service to be conducted on Monday, Feb. 26 at 7:30 p.m.

Mr. Gordon, who has been the Presbyterian minister in St. Albert since June

1971 has until recently been here under appointment by the Board of World Missions of the Presbyterian Church. Shortly after his arrival in St. Albert he was ordained to the ministry of the word and sacraments of the Christian church. Then in the fall of 1972 the members and adherents of the Braeside congregation extended a call

to Mr. Gordon requesting that he continue his ministry here. Mr. Gordon accepted the call in December and the service on Monday evening is to induct or install him as the minister of the Braeside Presbyterian Church.

The service will be conducted by the moderator of the Edmonton Presbytery, the Rev. Clive Simpson with

other members of the Presbytery assisting. During the service both the minister and congregation will be instructed as to their mutual duties and responsibilities and both will be questioned as to their intentions and purposes concerning Christian Ministry and Witness. A cordial invitation is extended to all to attend this service of induction.

## 'Fort' Inmates Attend Grant MacEwan

Twenty inmates of the Fort Saskatchewan Correctional Institute are attending Grant MacEwan Community College in Edmonton as part of a pilot project that will see sixty inmates attending the College this year. The year-long project was developed by the correctional services division of the Attorney General's Department and the College.

The inmates, 17 men and three women, are being issued temporary day passes and will return to the institution each evening. They will attend classes as regular students, coming together as a group only for special classes and meetings.

The project is seen as a

means of developing communication between correctional institutes and the community.

"We hope it will create a very frank and direct dialogue" says Hy Sheinin, who is coordinating the project for the College.

The first post offices in France opened in 1630.

In 1631, the position of General Superintendent of Posts was established in France.

The first letter boxes came to Paris in 1653.

In 1516, King Henry VIII appointed England's first Master of the Posts.

# Local M.P. Comments From Ottawa Capital Punishment

By Marcel Lambert

Some days, a Member of Parliament comes up against a real cruncher of a decision and one of those days is fast approaching — when Members of all Parties will be asked to face the issue of capital punishment in a free vote in the House of Commons. Capital punishment is not an ordinary issue, because the decision to retain or abolish the death penalty affects human lives in a way in which most other decisions do not. Moreover, the life of the convicted murderer is not the only one to consider — what of that of the innocent victim. Extinguished, must it be forgotten?

Therefore, the decision is doubly difficult and it is further complicated by present trends in our society which have tended to polarize the issue.

We are in an age where preservation of life in all its forms has become extremely important to the individual. I think Canadians believe, for the most part, that there is much progress to be made in humanizing punishment so that prisoners can be rehabilitated rather than brutalized. But

Canadians also believe that this can only be accomplished with full awareness that the penal system exists as much for the protection of society as for the rehabilitation of offenders. However, for many these purposes are reversed in priority — a grievous mistake I think.

In the spring of 1971, Mr. Goyer began to implement his policy of penal reform. But Mr. Goyer's reforms, however well-intentioned, lacked controls, and their implementation resulted in a number of abuses through which innocent people suffered.

By late 1972, Mr. Goyer had been dismissed as Solicitor General of Canada. But the memory of the abuses lives on in the minds of Canadians, and this, if anything, has blurred the debate over the issue of capital punishment.

The bill has three purposes: to reinstate the five-year extension of the ban on hanging which expired December 29, 1972, and to extend the ban to December 31, 1977; to eliminate the terms "capital murder" in relation to murder punishable by life imprisonment; to ensure that the definition of "murder punishable by death" refers to murder of a police officer, prison guard and so on.

The main issue of course, is whether Canada should abolish or retain capital punishment. Since 1962, no one has been hanged in Canada. And although there have been convictions for the murder of police officers since 1968, the cabinet has commuted each one.

Studies about the effects of capital punishment as a

deterrent are inconclusive, not only in Canada, but also in other countries. A Weekend Magazine survey conducted on December 9, 1972 found that 70 per cent of its responses favoured retention and the actual use of capital punishment — not just a capital sentence to be later commuted to so-called life imprisonment.

Therefore, it is safe to assume that Canadians demand more protection than the alternatives to capital punishment provide at the moment. And this requires that each Member of Parliament not only make a value judgment about the issue of capital punishment itself, but consider also, the issues of parole practices, sentence remission and general penal reform.

The debate continues until some date in the future. I have always favoured, and have said so in Parliament and on the election platform, capital punishment with a carefully restrained use of commutation. I have not heard nor heard of any further facts or arguments which persuade me to change my mind. I intend to vote against the bill.

EDITOR'S NOTE: Mr. Lambert is Member of Parliament for Edmonton-West Riding, which includes St. Albert.

## Hannemans honoured on Silver Anniversary

Karl and Peggy Hanneman were honoured on the occasion of their Silver Wedding Anniversary at a party arranged by their children and held at the home of Ole and June Kendel on Grosvenor Blvd. on Feb. 10th.

About 40 people attended, including Karl's sister and her husband, Elder and Trudy Lentz from Fort Saskatchewan. The Lentz 25th anniversary was on Feb. 9. In 1948 the Hannemans were married in Ottawa on Feb. 7, two days before the Lentz wedding in Edmonton, and it was a happy circumstance that they were able to be together on this special anniversary.

Jim Inglis of Beausejour Manitoba, a long time friend of the Hanneman family was also present for the party, given by Judy, of Vancouver, Carol, Richard, David, Valerie and Donna Hanneman. Mrs. Kendel prepared a beautifully decorated wedding cake which centered the serving table. David Hanneman and Linda Wilson provided corsages and flowers for the cake and sent a beautiful bouquet of roses to Karl and Peggy at their home.

The song, "With This Ring I Thee Wed" was delightfully sung by Linda Wilson, Donna Hanneman and Karen Wilson. Two telegrams by Joanne Cockwill provided a lot of laughs when read by Reg Bremner, and Ole Kendel and Ken Williams on the accordion and guitar, had the

crowd up dancing. Judy presented family gifts to her parents and to her aunt and uncle. A silver Money Tree, which Eileen Gibbon had cut and then sprayed and decorated most attractively with silver dolls

was presented on behalf of the guests to Karl and Peggy, both of whom thanked their family and friends for the gifts and the grand party. A delicious smorgasbord was served.

## Around Town

A few weeks ago we reported that a local citizen, Willy Mays, employed by St. Albert Cabs had his automobile stolen while it was parked along a street in town. The theft of the auto was reported and Willy waited for results. When hopes started to fade that his car would ever be returned, Willy quite unexpectedly spotted his vehicle parked along an Edmonton street. After making sure said car was indeed his long-lost vehicle, Willy notified the City Police and soon afterwards was allowed to drive away. Mr. Mays says that the culprits logged quite a few miles on his car, added a few scratches but besides that, all is well.

Corp. Stan Fookes of the St. Albert RCMP detachment attended a five-day traffic control seminar in Banff, February 12 to 16. The local police delegate was sponsored by the Town of St. Albert and reports that the whole exercise was a very enlightening one. This course is designed for people concerned with the problems related to traffic and its control. This was the seventh short course on traffic control presented by the Department of Extension University of Alberta. Course chairman was a well known St. Albert resident and town councillor, J. J. Bakker, associate professor of civil engineering, the University of Alberta.

The executive of the St. Albert on Sturgeon Players met last night and Don Mills reports that the two presentations of three one-act plays in St. Albert last weekend drew capacity crowds of 120 each evening and the drama group cleared \$200. On Saturday evening Councillor Frank Lukay presided at the official cutting of a beautiful cake marking the 10th anniversary of the group, and it was noted that Marcia Scammell, who appeared in the very first production of the St. Albert on Sturgeon Players, was also in the cast of one of the plays presented that evening.

Plans for melodrama productions at rodeo time in St. Albert were discussed by the executive last night.

Mrs. Louis Sabourin of Salisbury Avenue won the jackpot at the Legion Bingo Monday evening. This is the first time the jackpot has been won since the Legion bingo program started a year ago. On Saturday evening at the Legion Hall Joanne Cockwill won a goodie quantity of perfume, which prompted a friend to wonder out loud whether this good fortune might have the effect of making some of her jokes smell more sweet.

1st St. Albert Rangers are holding a garage sale on Saturday, March 2 from 10 a.m. - 2 p.m. at 11 Garland Place. Any donation of articles may be delivered at the following addresses: 11 Garland; 21 Greenview; 1 Seymour Cres. All proceeds from sale will help finance a trip for 16 girls to an intern camp in Wyoming this summer. Items needed include clothes, small household articles, toys and sports equipment.

A Dawson City hockey team set two Stanley Cup records when it took on the Ottawa Silver Seven in 1905. The first record was when the northerners lost 23 - 2, to have the most goals scored against any team in play-off history. The second was when Ottawa's one-eyed Frank McGee scored 14 of those goals, the largest number in any one game by one player. These records stand today.

# Celebration honours Bertha Krauskopf on 80 th birthday

By Flo McGinnis

Saturday, February 3 saw a large gathering of family and friends joining to honor Mrs. Bertha Krauskopf on her 80th birthday. The event was held in the Morinville Centre which was decorated for the big night and displayed numerous old family photographs.

Born in Douglas County, Washington on February 1st, 1893, Bertha Kleser came to Cardiff, Alberta with her family in 1905. Travelling in a wagon it was no mean feat, but all turned out well. With three sisters, Annie, Louise and Theresa, and six brothers William, Joe, Karl, Leonard, John and Herman, Mrs. Krauskopf has many happy memories of her childhood and the family pictures on display at the celebration brought out over so many stories.

Bertha Kleser married Joseph Krauskopf on June 17, 1913 and they had a family of 15. There were

five boys: William, Alois (Red), Ralph, and Leonard and George (who passed away in infancy); and 10 girls: Catherine (Steffes), Theresa (Fitzgerald), Louise, Laura (Johnson), Anne, Cecilia (Conway), Albin, Mary (Dusseault) and Margaret and Olive (who passed away in infancy). All her children were present for the big event except one who was unable to attend.

Joseph Krauskopf passed away in 1957 but Bertha still resides on the 'home place' with her most beautiful garden which has the original wagon for decoration. Very active in the garden in the summer, Mrs. Krauskopf spends much time crocheting and sewing during the winter months.

John Saunders acted as master of ceremonies for the birthday celebration and music was supplied by Art and Dennis Clifious. Everyone enjoyed dancing to the old time music as Bill called

Grandma Krauskopf poses beside the basket of flowers presented to her by her grandchildren on the occasion of her 80th birthday party in Morinville Recreation Centre.

a waltz quadril and square dances. Marielle and Jerry Krauskopf sang several numbers.

A toast to Mamma Krauskopf was proposed by Bill,

and Red made a presentation. Joe Steffes, the oldest grandchild presented 'Gramma' with a gold family pin while Sheri Johnson and Terri Conway presented her with a basketful of flowers from the grandchildren. Rita Krauskopf presented a cake, beautifully decorated. Peter Conway read a Poem to Grandmother and Denis Dusseault read Green Thumbs. Mayor Art Stapleton and MD Reeve Walter Van De Walle made touching speeches while Mrs. Krauskopf's brother Karl Kleser spoke on behalf of the family.

Gramma Krauskopf is known to everyone looked much younger than her 80 years in a dark green long gown with beaded collar and cuffs and wearing a corsage of yellow carnations. She ably answered the toast, presentations, and speeches with a short speech that ended with 'I love you all.'

The large family includes 36 grandchildren and 10 great-grandchildren. All the way from Vancouver were Louise, Laura, Sheri and Joe Steffes, and from Prince George came Allan Fitzgerald.

\*\*\*

The famed Alaska Highway, stretching 1,520 miles from Dawson Creek, B.C., to Fairbanks, Alaska, was built as a war measure in only nine months and six days.

The Krauskopfs are all back from their trips down south and the tans are the envy of everyone.

The Quins have left on a motor holiday to various points, to end up in California. Eva's mother Mrs. Lavallee from Weyburn, Saskatchewan is staying with the children while brother Willard looks after the shop.

Friday, Feb. 23 will see Legion members and guests getting together for an evening in the clubrooms. The social evening will feature cards, darts, recorded music and refreshments from 7:30 till 12:30 a.m.

The girls running for carnival queen are busy out selling as many tickets as they can in preparation for the big event March 11. We had hoped to have the pictures and write-ups in this edition but they did not arrive in time - sorry.

The Rendezvous Club wishes to extend their sincere thanks to everyone who so generously donated all the prizes and the lunch. Birthday wishes to senior citizens this week include Feb. 22 - Rebecca Champagne and Amede Brochu; Feb. 25 - Anne DeRudder.

Ladies keep fit classes will begin on March 12 this year. The recreation board offers a 10 week course in physical fitness and toning up exercises for only \$5. The course will be offered on Monday and Tuesday evenings from 7:30 - 9:30. It is two nights this year so that two classes (of no more than 20 each) can be handled. The limit is 40 ladies so get your name in early! You may call Mrs. Dorothy Dalgault at 256-3465 mornings only. Registration deadline is Friday, March 9 at noon!

The recreation board is also setting up a pedal pushers club for 1973. This will be the second year of membership for a great number of youngsters in Morinville. The age limit is 12 years, and the child must own a bicycle. Plans are to have the first session on May 2 with registration on April 30. Watch for further details.

Anne Kryskow is home from hospital now after breaking a kneecap in an auto accident on Feb. 10.

By Flo McGinnis

On Saturday, Feb. 10th family and friends gathered at the Legion Hall to honor Christine Krauskopf and Bryan Foster at a mixed shower. Christine is the daughter of Anna and Clarence Kroskopf of Morinville, and Bryan hails from Saskatchewan. Their wedding will take place on Feb. 24th.

Hostesses for the evening were Misses Diane and Linda Rousseau and Mrs. Elsie Rother, Mr. Leo Doudlezh acted as master of ceremonies. It was an informal gathering in the form of a social evening with refreshments, music and a gala lunch. The happy couple were presented with a purse of money and an electric frying pan with all good wishes for a long and happy life together.

The Valentine party held by the Senior Citizens Rendezvous Club was a great success, with a large turnout and lots of fun. Winners of the prizes were: 1st prize Ladies - Mrs. Herman Kleser, Mens - Floyd Vollrath, Booby prize: Ladies - Mrs. Tillie Vollrath, Mens - Ed Barr. The door prize was won by Gerry Pelletier. During the evening Mrs. Kleser's daughter Florence presented her with a potted plant in honor of her birthday that day. A delicious lunch was served to top off a very enjoyable evening.

## Noted hypnotist to stage show in Morinville

Beware . . . Close your eyes . . . Strengthen your will power . . . Hypnotist, Byron Benson is coming to Morinville.

His performance is uniquely different, a show that engulfs your every emotion for two solid fun-packed hours. With enough leftover to keep you laughing for weeks to come.

Thousands of fun-seekers enjoyed Byron's shows last fall and at times standing room was at a premium. He was encouraged to extend his tour in Alberta and bring his unusual show to some of the smaller centres. Now you will have a chance to see and enjoy this exceptional showman.

You'll like Byron and his honest approach to Hypnotism. It's difficult not to, this 6' 2" Canadian stands out in the field of hypnotic performers. As with so many other performers, Byron was forced to go 'state side' to make a name for himself.

When not exposing the fun side of hypnosis, Byron lectures and teaches the science. He has taken advanced training courses on hypnotherapy and developed a highly successful technique to assist smokers and obese persons. He even breaks the laws of tradition by not wearing the symbolic beard that is a trade mark for men in his profession.

Byron's show will take place March 1st at the G. P. Vanier High School auditorium at 7:30 p.m. It's a family show, it's unusual, there is even a demonstration on the much-talked-about subject of ESP. It alone is worth the price of admission.

So if you're looking for something to do March 1st in the evening, come and see BYRON. It will be an evening long remembered, filled with . . . humor . . . laughter . . . tears and more. The Students Union of the Georges P. Vanier High School are sponsoring the show.

# Calahoo and District Column

By Liz McLeod

Calahoo certainly is a beehive of activity these days. The recreation programs keep very active. Mrs. Edmo Ann Berube is presently leading the soft leather classes that started on Jan. 22 and will carry on for eight weeks.

Mrs. John Cherry Dodd is the kindergarten teacher and classes have been carrying on all winter each Thursday. Both classes are well attended.

All those who came to the Gazebo to watch the film that was shown, "The Flight of the Doves" got their money's worth as it was a really good family show. The Calahoo Sports Association are to be commended for all the many activities they offer this community in the way of entertainment and family fun.

Folks did you know that there is a sheet of paper in the MM Store at Calahoo where anyone wishing to have their phone on a direct line to Edmonton can put their name down. If there is enough interest shown by enough signatures, then Councillor Glen Berry would arrange a meeting. Sure would save a lot in long distance calls wouldn't it?

It was good to hear that Mrs. Helen Quintal has come through surgery none the worse for the wear.

Diane Fowler informs me that her mother and a former WI member now living in the city, Vi Matkea is under doctor's care these days and we certainly wish Vi a speedy return to good

health. And we are all pulling for your husband John Matkea, Vi, who is presently in the University Hospital in intensive care after open heart surgery on Feb. 14.

Gordon Schmermund is holding his own but still in Stony Plain Hospital. One thing sure is he gets a lot of visitors and its so handy for his wife Emelia and boys to go visit him.

We were sorry to hear of Mrs. Kris Esslinger's illness and having to be hospitalized. Your friends and neighbors hope you have a speedy recovery Millie.

Word has just been received of Mr. Morris Verstraete's death Feb. 17 in the Sturgeon General Hospital, St. Albert. The community of Calahoo extends its deepest sympathy to all the loved ones and to his sister, Mrs. Henry Alice Majeau, in Calahoo.

Mrs. Clara Loyer's daughter Joyce had the misfortune to fall and fracture her ankle but is doing very well walking now, with just a bandage on it.

What a pleasure to have good friends call. This was the case for Clifford and Diane Fowler when Al and Alice Zornes and family motored from Penticton, B.C., to spend the weekend in Calahoo, renewing friendships and getting to know the children.

Peewee and Pearl Quintal were happy to have their daughter Elaine, Mrs. Gary Majeau and baby Joel home for a visit.

Cliff McLean and Lil Bennett took the opportunity to have a visit at Kerr Bros., bringing Daphne home after a short stay in the city with her parents, Mr. and Mrs. R. W. Akerman.

Jim and Elisabeth Verbeek and boys were happy to have mother, Mrs. W. Toni Christen for a week's visit

Harold and Nancy Christen surprised Nancy's cousin, Doug and Lillian McLeod with a pleasant visit. Of course baby Cameron doesn't mind the extra attention either.

Joe and Mary Vollmer were recent visitors to Calahoo district where they once lived.

John Carty has had a busy time since he's attending a five week course at Alberta Vocational College. One day in the cafeteria he was sure he saw his neighbor, Howard Blanchard's daughter Colleen. When Colleen and her mother Edith came to the McLeod's for a visit this was confirmed as Colleen is back in school taking a course.

The McLeods' enjoyed a week's visit when Pete's mother, Mrs. Birdie Russell, recuperating from major surgery, and Liz's sister, Bertha Chapman came to the farm for a change of scenery. While at the farm together they went to Leduc to visit uncle's Alfred and Fred Rhome and to Peavine to visit with brother Felix and Martha Pischinger.

Don and Alice Gregoire were recent visitors to Alice's brother Adelard, and Melina Paquette's young Emil has just celebrated his third birthday, Feb. 13. His dad's is on the 18th and brother Edmo's is on the 20th so there'll be lots of candles to blow out.

Mr. and Mrs. Fred Labonte are pleased to have a visit from brother Charlie Labonte from Westlock. Its been a while since these families have been together and perhaps this lovely weather we're having makes it easier travelling.

The Marcel Kerckhof household got a pleasant surprise when neighbors and

friends gathered to help Theresa usher in her birthday. Andrew and Madeline Van Brabant and family, Emelia Schmermund with Barry and Michael, Otto and Audrey Steinkampf, Pete and Liz McLeod joined in with visiting and fun.

This is the month of birthdays and this time it was Mrs. O. Audrey Steinkampf's. A good friend from the city, Walter Pleysler, came and with Mrs. H. Nancy Christen, Theresa Kerckhof and Pete and Liz McLeod together spent a most enjoyable evening just chatting, teasing and listening to a good joke.

The community of Calahoo were saddened by the news of Mr. John MacDonald's death the night of February 14. Deepest sympathy is extended to his wife Gertrude and all his children. Funeral arrangements were made Feb. 20 in St. Albert.

John was a very capable elevator man for the Wheat Pool in Calahoo for years until his retirement to Stony Plain.

## Calahoo Sports

By Liz McLeod

Congratulations Calahoo Scorpions! The fired-up team made it three straight in playoffs with Legal. In one game it took overtime and then sudden death overtime.

Don't know how long the outdoor rinks will last but Cliff Fowler's Canucks are now in second place and won over Calmar on 17th 7-4.

With Serge Giroux leaving Calahoo, Ed Horn has taken over coaching the bantams and they lost their game to Stony Plain #1 team in Stony Plain on 17th, 7-1.

There is another hockey team worthy of mention, the mites coached by Emile Berube, whose game with Onoway on Feb. 18 was postponed. These little fellas are a joy to watch.

The Sports Association, the parents who transport the teams and everyone connected with these sports deserves a pat on the back for creating so much interest and helping the younger set

## LEGAL LOCALS

By Lucienne Montpetit

A committee has been formed to take advantage of the government program entitled "New Horizon" for the retired citizens of Legal and district. The project will include locating a suitable building to be used for hobby and sports activities. They would like to hear from enthusiastic members of the community. For further information call 598-3692.

Mrs. Diane Remillard returned last Thursday from an enjoyable trip to Los Angeles and Las Vegas where she spent three weeks visiting with her sister Mr. and Mrs. Jos Robichaud and nieces.

Mr. and Mrs. Patrick Mahe are happy to announce the forthcoming marriage of their daughter, Maril-Rose to Wayne Letteau from Edmonton. Wayne is the son of Mr. and Mrs. Henry Letteau from Kelowna, B.C. The wedding will take place on July 21 in St. Emile's church.

Sincere condolences to Mrs. Gladys L'Heureux and Mrs. Lina Caza who are mourning the loss of their brother Andre Perry who passed away on Feb. 12.

Mr. and Mrs. Maurice Regimbald from Slave Lake attended the Credit Union annual supper and enjoyed visiting with their friends in the community.

"Magic Book Story on Ice" is the theme for the minicapades sponsored by the rec. board which will be held on March 4 (weather permitting). The capades

get started in such a healthy sport.

Calahoo Canucks peewee hockey team won another league game Saturday with a 7-4 win over Calmar.

will kick off at noon with a shaver hockey game. The official opening of the minicapades by Mlle. Fete au Village at 2 p.m. followed by the ice show put on by 50 of our local skaters. The guest skaters are from the Westlock figure skating club. It promises to be the best minicapades yet. A perfect outing for the whole family.

Get well wishes are extended to Mrs. Roger Cyr who underwent major surgery last week, also to Felix Messier, Mrs. Ladis Messier and Mr. Keroack, a former resident of the Chateau who is hospitalized after breaking a leg from a bad fall.

Miss Rose Neitsch was feted at a miscellaneous shower held at the home of Mr. and Mrs. Camiel Bolle on February 18. Hostesses were Marlene Neitsch, Connie Bokenfohr and Louise Landry. The guest of honor thanked the hostesses for organizing such a lovely afternoon and thanked everyone for the beautiful and useful gifts. Rose will become the bride of Remi Bolle on March 9 at Barrhead.

Mr. and Mrs. Lucien Bergevin accompanied Mr. and Mrs. Robert Parent when they travelled to Calgary to spend the weekend visiting with Mr. and Mrs. Marcel Bergevin and Mr. and Mrs. Wilfred Bouvier.

Mr. and Mrs. Nazaire Lessard enjoyed their weekend in Forestburg visiting with their daughter, Mr. and Mrs. Huot and family.

This week is known as Girl Guide and Boy Scout week. The girl guides and brownies attended the Thinking Day ceremonies in Westlock on Sunday, Feb. 18. They would like to thank Mr. Leo Maurier for driving them, also the leaders and to the mothers who supervised.

## District oldtimer Dies at 89 years

By Liz McLeod

Funeral services were held Feb. 8 for a well known oldtimer of the Calahoo and Onoway district, Mr. August J. Lappenbush, who was 89

years young, passed away in Barrhead hospital on Feb. 5.

Born in Nebraska, Mr. Lappenbush came to Alberta in 1905 and settled in Chipman, and on Christmas day in 1908 he married Olga Paegge, who predeceased him in 1967. Mr. Lappenbush won many trophies with his prize Aberdeen Angus cattle. He farmed in Ross Creek and Kettle Valley, B.C., but returned to Onoway in 1958.

He is survived by one son James of Prince George B.C., and one daughter Laura, Mrs. Tom Campbell of R.R. 8 Edmonton. There are four grandchildren, one step-daughter and one great grandson.

Burial was in Evergreen Memorial Gardens and Andrew-McLaughlin Chapel held the service.

# Sturgeon Rec. Bd. Poll Seeking Ratepayers Views

The Municipal District of Sturgeon Council working in conjunction with the Sturgeon Recreation Board are interested in how much residents are willing to pay for recreation facilities. In 1972 there was an allotment of approximately one mill used in recreation for administration and community programs. These costs will continue, so the intention of this poll is to find the increase, if any, ratepayers want for facilities.

The mill rate each year would be used to build and maintain new facilities as well as renovate and maintain existing facilities. An estimate - ratio of the money used for building and renovating compared to maintenance has been suggested as 3 (building and

renovating) to 1 (maintenance).

One mill in the Municipal District of Sturgeon brings a revenue of approximately \$2,000. One mill will cost you 1/1000 of your assessment. Therefore if your assessment is \$4,500 you will pay \$4.50 increase for each mill increase.

The recreation board feels that if facilities are wanted, a constant mill rate is necessary so proper planning can be done. In a municipality as large as Sturgeon proper planning is a necessity so each area can obtain proper services from the proposed facilities. If ratepayers wish a mill rate set aside for recreation facilities the recreation board, working in conjunction with

the municipal council, community organizations and the public at large, would propose a priority plan outlining the facilities to be built, their location and their cost. This priority plan would then be published and groups could make representation to the board, if they disapproved of the plan.

The opinion poll will tell the Municipal District of Sturgeon Council and Recreation Board if residents want facilities. If facilities are wanted the amount of assessment ratepayers are willing to pay will determine the number and quality of the facilities.

Dean Draper, centreman on the Bon Accord PeeWees smashed all known scoring records during the first playoff game last week in Bon Accord by registering 11 goals and two assists. Dean, son of Mr. and Mrs. Jim Draper of Bon Accord was of course declared the star of the game which ended in a 16 - 2 victory over the Gibbons PeeWees.

## Uniform to hear speaker on tax returns

Mr. Elmer Allen, Uniform research economist, will be guest speaker at a district 52 Uniform meeting at the Namoos Community Hall, Monday, Feb. 26 at 8 p.m.

Mr. Allen will speak on aspects of the new tax legislation which are of particular importance to farmers completing their 1972 income tax returns. For example, farmers must understand the choice of methods which can be used to calculate taxable capital gains so they can decide on the best method for their particular situation.

During the annual meeting of the Canadian Federation of Agriculture, Feb. 6 - 8, feed grain pricing across Canada was again a controversial issue. Mr. Allen attended the meeting and will report on the present situation.

All Sturgeon district farmers and their wives are welcome.

## Andre Perry Passes

By Lucienne Montpetit

Mr. Andre Perry passed away at 73 years of age, on February 12, at the University Hospital following a lengthy illness. The funeral mass was celebrated on Feb. 15 by Father Roland Bissonnette.

Born in Centerville, Man., in 1900, he came to Legal with his parents when he was eight years of age. He attended the country school in the "Diligence" district. He farmed in the district till his retirement to the village.

He leaves to mourn his loss two brothers, Arvid, McLennan, Edward, Edmonton; and four sisters, Mrs. Gladys L. Heureux, Legal; Mrs. Florence Leclair, St. Paul; Mrs. Phelomene Ducheneau, Jossard, and Mrs. Lina Caza, Legal.

Palbearers were Francols and Edmond Gregoire,

# Vimy family has 20 year record with Journal

By Jeanne Laplante

Mr. and Mrs. Wilfrid Provencal and family ended 20 years of continuous carrier service for the Edmonton Journal as of Dec. 31, 1972. In all, a total of six brothers and one sister looked after the route since about 1951. Roland started the ball rolling when he took over from Roland Carriere, whose family had done it for quite a few years. When Roland was 15 he left to attend St. John's College in Edmonton and brother Maurice took over the route. After Maurice, Leo took over and had to walk one and a half miles to Vimy corner to pick up his papers for the longest time while the highway to Vimy was being constructed and the bus didn't come to town.

Jeanne took over from Leo as a kind of necessity since the twin boys Paul and Peter, weren't old enough. Before too long though, Paul and Peter got their turn and had it quite a bit easier since they did their deliveries by motorbike. Later Paul got a part time job after school and left the route to Peter, alone who received the certificate of hardness for the record cold spell, Jan. 7 to Feb. 1, 1969.

Then finally Richard replaced Peter in the summer of the same year and finished.

The Yukon has 175 varieties of birds and more than 500 species of wild flowers and shrubs.

ed the family tradition till the end of 1972 when he decided to pack it in. However, not all is lost since the route was taken over by a nephew, Leo, who will most likely pass it on to another family member.

Therefore the Vimy area could be serviced by Provincial related Journal carriers for a long time to come.

All the members of Provencal family are doing fine at the present and most have gone their separate ways. Roland, married with four children, works for Gulf Service Co. in Red Deer. Previous to his present job, Roland was a barber for 12 years and was affectionally known as Pro the Barber.

Maurice is married and is a qualified auto body man in Peace River. Leo is married and has two children. He is Vimy's postmaster and also drives his own school bus. Jeanne is married and lives in Morinville and previously worked for the department of education in Edmonton for five and a half years.

Twin, Peter and Paul, are both working now as well. Paul works for the John Manville Co. in Fort Saskatchewan, while Peter has been working for Lindall's Super Market in Westlock for the past two years. Richard, the last Provencal carrier is 12 years old and concentrating all his efforts on his school work.

All the Provencal boys have been involved in hockey at one time or another, and, in fact, most of them are still quite active in this fantastic sport. Roland played and also coached the Westlock Seniors for two years. Maurice has been playing for the Peace River Stampede since 1964 and in that time his team has won many championships in Alberta.

Leo has been playing hockey since he was nine and has won many trophies as top scorer. He is now leading Edmonton Central Hockey League in points, playing for Westlock. Peter and Paul played junior hockey in Barhead for two years and are now playing with brother Leo for Westlock. Paul is a goalie and has been since he was small. He won the top goalie award two straight years in the Central Alberta Junior B League. Peter has also won his share of awards as top scorer and most gentlemanly player.

Richard is also doing well in hockey, playing for the Vimy peeWees. All the boys were encouraged to play hockey by their father who coached and looked after young boys for 15 years.

We would like to thank Mrs. Provencal for providing the facts for this most informative story about her family's incredible 20 year tenure as carriers.

## NAMA O NEWS

By Norma Crozier

Mr. and Mrs. Ted Samis have arrived home from a lovely two week holiday in Hawaii.

Ron and Dianne Nelsen are enjoying a visit from Diane's parents, Mr. and Mrs. G. Gibson of Toronto.

At the last meeting of the Senior Citizen's Club, 30 people attended, and enjoyed the gathering.

A good time was had by all at the Dairy Club Bingo, unfortunately it was poorly attended.

Mrs. Phoebe Crozier is recuperating in the hospital after undergoing a major operation. Best wishes for a speedy recovery are extended by the community.

Mrs. Alma Paul represented Namao when she attended the Yellowhead Pres-

byterial at the Grey Nun's retreat. It was quite an enjoyable weekend for Mrs. Paul. Many more people attended than were expected and it was a successful retreat.

The meeting of the Unifarm of the Sturgeon District is to be held at the hall on Monday, Feb. 27. Speaker for the evening will be Mr. Elmer Allan. Topics will be: the new tax, income tax, and capital gains tax, plus news of the Inter-provincial Feed and Grain Conference.

On Friday, February 16, Namao held its annual carnival. Races for Grades one to nine, including some novelty races, were held at the Namao rink from 1:30 to 3:30 on Friday afternoon. There were also horse drawn sleigh rides which proved to be very popular. The dance held at the Namao School on Friday evening was the main feature of the day. That evening, the queen of the carnival was crowned. This year's queen is Miss Anna Huber. Her princesses were Miss Debbie Carruthers and Miss Karen Bindon. Everyone enjoyed themselves and danced to the versatile music of the Karaband from 9 to 1 o'clock. The dance was very well attended by the students but there was a noticeable lack of attendance by the teachers and parents.

On Saturday, the second day of the carnival, snowmobile races were held. George Mullen won the highest points and Joan Waterhouse won the powder puff race. The races were very well attended.

Watch for Ron Brimacombe (The Iron Duke) and Gary Gauthier from the Pro Shop at Silver Summit, Thursday, February 22 at 7:30 p.m. on Channel 11.

By Sadie Allen

The annual meeting of the Bon Accord Community Centre was held on Monday, Feb. 12, with a good turnout of village and district residents present. The question of shares in the community centre was well hashed over. Possession of a share gives one the privilege of voting, being a member of the community centre board and perhaps best of all, getting special consideration when taking part in community activities. Shares are available from the treasurer, Doreen Hewitt. The feeling of the meeting was that some lack of communication was present and it was suggested that a committee be set up to take of this. Pauline Mansfield, Glenna Brennan and Hank Meyers were elected to the community centre board to take the place of retiring members Dorothy Rigney, Thelma Everitt and

Wes Carleton. At a meeting of the board held after the general meeting, Bill Carleton was again chosen as president. Pauline Mansfield and Hank Meyers will act as the committee for better communications. Thalia Critchley and Doreen Hewitt are again holding down the positions of secretary and treasurer respectively.

Congratulations to Dave and Joyce Cosh on the birth of a daughter on Feb. 10.

Dean Lewis is our latest hockey casualty, suffering a broken nose in the game against Morinville on Tuesday, Feb. 13. An extra stroke of bad luck as Dean is one of our defensive line and will be sorely missed.

The February meeting of the Ladies' Community Club was held at Gladys Abram-

ski's on Tuesday, Feb. 13, with 16 members in attendance. A review of the 1972 financial report was given by treasurer, Jean Sloan. Cash donations to the community centre throughout 1972 amounted to \$1,600. Part of this donation was profit from the 1971 New Year's Eve Ball. In all, cash donations to the centre from the club since 1946 have reached a grand total of \$22,152. The ladies are to be commended for the effort required to realize this amount. Profits from catering and sponsored social events amounted to -- \$1,166.71. Items purchased for use in the community centre totalled \$50.31. Profit from the sale of cookbooks - 250 sold to date out of 300 - \$225. Anyone wishing to obtain one of these books may do so by contacting Pat Reynolds - 298-3558.

Plans were made to sponsor a St. Patrick's Day dance on Saturday, March 17. A very reasonable charge will be made for tickets available from Elaine Whitson, 298-3630.

The annual plant sale and tea will be held in May, the date to be announced later. Please phone Alice Strawson, 298-2124 to place orders for special bedding out plants.

Registration for the first aid course held at the school totalled 35. Dr. H. Fang of North Edmonton has volun-

teered to be our divisional surgeon when and if our emergency first aid brigade becomes mobile.

Coach Ray Yakimitz and his midget hockey team copped off the first of the provincials by downing Westlock 11 - 9 in a total point two game series. The next series will be against Legal, possibly on Feb. 23 and 25 at Legal.

The Wildcats gave up the semi finals to Morinville in the final game played at Legal on Sunday, Feb. 18.

Bantams also fared badly in their two game series against Gibbons on Feb. 18 losing by 7 - 6.

More goodies for carnival weekend with a shaver tournament slated for Saturday. At 9 a.m. Gibbons will go against Bon Accord and at 11 a.m. Morinville will play Legal. The winners will play off at 2 p.m. At 5 the Cadets will host the Bean Supper. Cash Bingo will be on from 7 - 9:30. From 3 - 5 there will be skating to music for anyone so inclined.

The mite tournament will get underway on Sunday at 10 a.m. with Bon Accord meeting Gibbons. At 12 o'clock there will be a demonstration from the learn to skate and figure skating classes. At 1 Legal mites will play Redwater with the final game slated for 4:30. A special treat is planned for 3:45 when Sharon Sullivan will figure skate and at 4 there will be a power skating demonstration.

## Golden Age club holds Valentine Party in Gazebo

By Liz McLeod

Thirty-four happy folks gathered to enjoy visiting, games and fun at the valentine party for the Golden Age Club.

Shuffleboard on the floor was a source of pleasure and many also played cards. Later John Thatcher played some toe tapping tunes on his violin and several got their partners and danced. There was even a square dance with two sets stepping lively with Mrs. J. Adie Thatcher doing the calling. Mr. Vic Albrecht played his violin also and, oh boy, the older folks sure had fun.

A card game featured a box of gifts in the centre. After all the games the fortunate ones opened the gifts to find many useful or funny items and many received a valentine box of chocolates.

Another attraction planned was whist, with six tables playing. The winners in the mens were: Hector Boddez with 69 points, boobie Alex Kerr with 40 and for the ladies Alice Majeau won with 76 points and Dolly Majeau won the boobie prize with 40.

# Record crowd attends 30th annual meeting Legal Credit Union

By Lucienne Montpetit  
With a record breaking attendance, the Legal Savings and Credit Union held its 30th annual meeting on

Feb. 17.  
During the delicious roast beef supper there were several familiar faces seen at the head table. Mr. and Mrs.

Lilse Kivell representative from Cuna Mutual Insurance Mr. and Mrs. John Morin, examiner for the Co-operative Activities and Credit Union Branch, Government of Alberta; Mr. Blain Dickson, representative from the Credit Union Federation of Alberta; and Mr. and Mrs. Leo Alain, manager of the St. Albert Savings and Credit Union.  
A beautiful layered cake with congratulatory messages centred the head table. This cake was presented by Mr. Kivell for 25 years of insured coverage with Cuna Mutual Insurance. In addition to this the president accepted a lovely plaque on behalf of the Credit Union, indicating 25 years of continuous insurance coverage with Cuna Mutual.

There were several other presentations made to men who are certainly deserving of awards. Mr. Lionel Forcade was called upon by the manager (Marcel Dube) to read an address on behalf of the first president Mr. Dominique Coulombe, Mr. Leonard Blanchette and Mr. Arthur Morin were presented with inscribed plaques commemorating 15 years of service, by Mr. Forcade.

Mr. Wilfred Lecavalier, Mr. Fred Zilinski, Mr. Herve St. Onge, Mr. Martin Ostopowich all received five year service plaques. These men have served nine years, six years, eight years and five years respectively.

Following the presentations the meeting was called to order at 8:30 p.m. under the chairmanship of Mr. Leonard Blanchette.

The session was brief and to the point, there were a few questions asked with reference to the financial statement which were answered adequately by the auditor, Mr. Lionel Bergevin.

The election brought Mr. Paul Cloutier and Mr. Fred Zilinski back on for the board of directors, Mr. Robert Regimbald on the supervisory committee, all officers were re-elected by acclamation for a three year term.

The guests brought greetings from their various departments and congratulated the board for the increase and wished the credit union continued success.

The evening concluded with a social which was enjoyed by all.

The Board and staff of the credit union would like to extend their sincere gratitude to all who attended this function, making it a success.

Mr. Art Morin, at left, accepts an engraved plaque for 15 years of service with the Legal Savings and Credit Union from Mr. Lionel Forcade.

Marcel Dube, left, manager of the Legal Credit Union, and Mr. Leonard Blanchette, president, receive congratulations and an engraved plaque marking 25 years of continuous coverage of the Union by Cuna Mutual Insurance. Mr. Lilse Kivell makes the presentation.

## Camilla - RQB Clubs Hold Joint Entertainment

By Anne Boddez  
A joint party was held recently for the Riviere Qui Barre Beef Club and the Camilla Clothing Club. Everyone had lots of fun with games and then hot dogs and drinks.

On Jan. 16 both Riviere Qui Barre Beef Club and the Camilla Clothing Club enjoyed two well-informed speakers who gave us some helpful hints on public speaking.

On Jan. 19 there was a skating party at Riviere Qui Barre. It was a very beautiful night and everyone enjoyed it. Refreshments were sold.

This years public speaking is going to be held on March 23, at 7 p.m. in the music room. Everyone is welcome.

# Sturgeon MD Eyeing Lily Lake Revival Plan

As a result of a request by the Municipal District of Sturgeon to the Department of the Environment, Water Resources Division, to conduct a study of the Lily Lake stabilizing project, said report was received at the February 15-16 meeting of council.

The project study involved stabilization of Lily Lake water levels by means of control gates, drainage of surface water in the surrounding area and general improvement of this specific environment. It was the original contention of the MD council that Lily Lake, located eight miles north of Bon Accord and eight miles east of Legal be rejuvenated while solving a local drainage problem. The Water Resources Division advanced a proposal to the MD council which was unanimously supported. Now, before anything further is done, the MD council requested that a preliminary study be submitted and said report will then be judged on its merits.

The MD received two notifications of application to the Local Authorities Board for annexation of lands to the villages of Legal, 23

## Namoo Clothing Club Plans Coming Events

By Debbie Rye  
The Namoo Clothing Club met in the basement of Namoo church on January 23, 1973. Several activities were discussed and decided upon.

The curling and bowling for all 4-H'ers in Sturgeon will be held March 11 in St. Albert. The club will attend the rodeo on March 26. A sewing machine for the first unit members will be procured. Achievement day was changed from April 9 to April 30.

Namoo's demonstration night was Feb. 12 in the church. It was a long night as 16 successful demonstrations were presented. Winners were Audrey Gibson and Debbie Zaharichuk with second place going to Betty Gibson and Laurie Jeffery. Laurisa George and Janet Gibson received honourable mention. Judges were Mrs. Alma Paul and Mrs. Norma Clark.

acres and almost 30 acres to Gibbons. These were referred to the Municipal Development Committee and reports are expected soon by council.

Council approved the details of the preamble dealing with the Opinion Poll (Questionnaire) regarding mill rate levy for recreational facilities within the municipal district. Briefly, the questionnaire asks ratepayers to indicate which mill rate increase they would approve for additional recreational facilities, from zero mills up to five mills. Council also approved in principle the regional recreational council agreement to set up a recreational board. The recreational board budget was received and tabled for further study.

The annual court of revision for ratepayers of the MD of Sturgeon has been set for April 17 and 18 at the MD office.

As per request from the County of Thorold, the Sturgeon MD Council agreed to support in taking the East Gibbons Road SR No. 643 into the primary highway system.

Council submitted a request to the City of Edmonton that a set of control lights be installed at the corner of 127 street and 137 avenue, a busy intersection council feels should be properly controlled.

In view of an early spring thaw, council ratified authority to each councillor to impose road bans as conditions dictate.

Chairman of the Sturgeon School Division Board, John McDonnell informed the MD of Sturgeon council of the possible use being considered by his board for Cunningham School which is presently vacant. The report was received and tabled for future reference.

The annual spring meeting of the Alberta Association of Municipal Districts and Counties will be held March 28 at the Macdonald Hotel, Edmonton. The entire MD board will attend.

Council requested the MD's department of public works to investigate the feasibility of installing street lights in the hamlet of Carbondale and report back to council.

Reports from the Prairie Farm Assistance office showed in detail, sections of land within the MD of Sturgeon which qualified or did not qualify for financial assistance due to poor crops during the 1972 season.

As per report, the following sections were declared eligible for assistance: All sections 1 to 6 inclusive; 9, 11 and 13 inclusive; 15, 16, 20 and 23 to 27 inclusive; 29 to 36 inclusive. All above sections are contained in township 57, range 23 West of the 4th.

Those not eligible include all sections in township 55-24 West 4; all sections in township 56, 24 West 4 and sections in township 56-25 West 4.

## Shower honours Lois Schafers

By Liz McLeod  
A miscellaneous shower was held in honor of Miss Lois Schafers, Joe and Martha's daughter on Feb. 18. About 80 ladies and children were present to enjoy visiting and bingo with winners receiving little prizes. The door prize was won by Eileen Kolesar.

Seated at the head table were Mrs. Herman Schafers, Mrs. Anna DeRudder, Lois's grandmother, Mrs. Joe Martha Schafers, Lois, Marlene Schermmund (bridesmaid to be), Mrs. Roy Alice Schermmund and Mrs. Carl Adolina Bergstreiser, Don's mother and grandmother respectively.

While the presents were

being opened Alice made a hat from some of the bows and ribbon and then before Lois knew it she was looking pretty for pictures that were taken.
